# ADMINISTRATION

Dear Seniors of 1969:

You will be faced with many choices in the years ahead after you graduate from Rockdale High School. You will choose a future filled with hope or a future filled with despair. If you choose to live for yourself you will be ungrateful to the past and a traitor to the future. I urge you to be grateful for the past and have a deep concern for the future.

Jesus was grateful for the past but he urged us to seize every day and fill it with eternal values. Live now! Live now! The Master says to us.
