**Mrs. Louise Joiner**

When the President of Our Country is taken by death we have a period of mourning and almost all of us think how terrible to lose such a great man. His name and his title get our immediate attention. Others are taken in death and few people know of their greatness because they play a role relegated to the common every day workers and so very little attention is paid to their passing by the masses.

The Rockdale Public Schools lost one of the dearest, sweetest and most adorable ladies I have ever known in the passing of Mrs. Louise Joiner. She was, and shall ever remain, the greatest friend of the Rockdale Public Schools. I think of her as a phenomenon. She defies description and definition. She was the FRONT OFFICE of the Rockdale Schools. No one ever came to her for help and was refused. She went the last mile to help every one regardless of his name, color or station in life. She built a temple in the Rockdale Schools that shall last while the ages roll because this beautiful unseen temple is her friends' immortal souls.

*J. M. Moorman*

Message from the Superintendent

One of the greatest joys of my life has been to serve as your superintendent of schools. During the past eighteen years I have been privileged to serve as Superintendent of the Rockdale Public Schools and also to write each of my graduates a little note to wish them good luck in the years ahead.

I lived for years in expectancy, hoping to serve this fine community as an educational leader, and, especially, to serve you, The RHS students. What a pleasure, I have derived from my service to you!

I urge you to live a life of expectancy; to believe in a future life; to believe that your life here on earth continues to grow richer and fuller every day; to believe in God and to trust Him as the One who can give you a richer and sweeter life and ask Him to guide you as you try to enrich the lives of others.

Miss Flirt 1973  
and her  
Runners Up  
Three years in a row!  
Miss Amy Morris

No, No, No, I should have won; I'm  
the flirtiest, cutest thing in town!

Naturally, I voted  
for Cheryl!

I didn't vote; but Luis  
certainly did.

My vote went to Karen Carpenter.

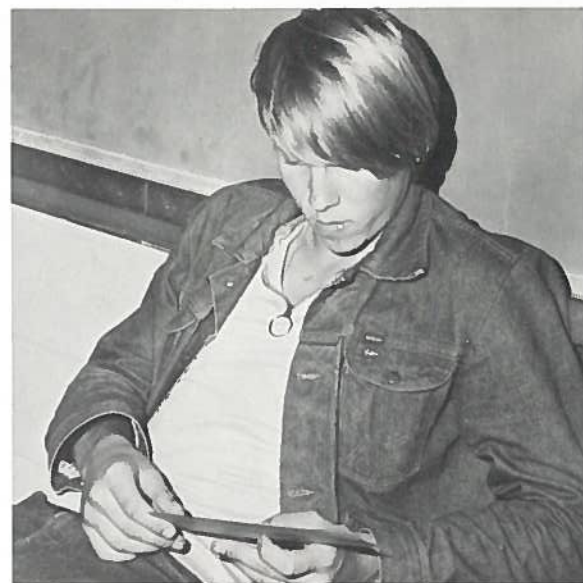

Big deal

Do I care? Ha!

A first prize check for \$500,00! My God!

Who cares who won what? We made the top ten!

I care, I really care!  
Smile! Smile!

Steven then

...and...

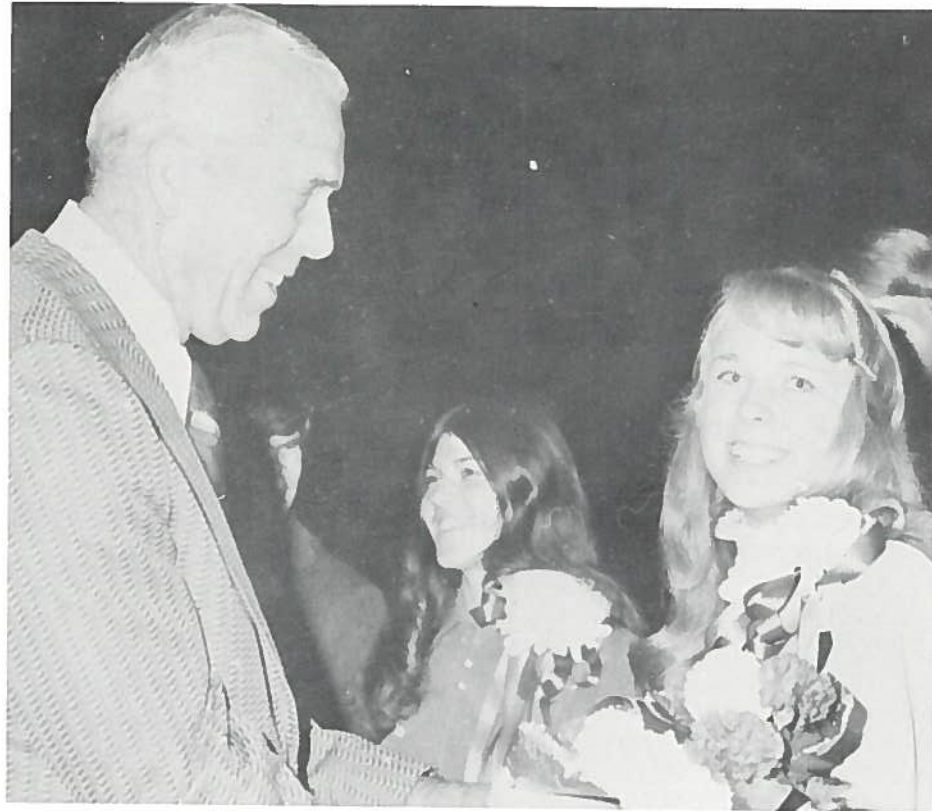

Steve now!
