

Cleveland ISD Star Students

DOUGLASS LEARNING ACADEMY

Week Ending April 15, 2022

- **Kimberly Lopez!** (11th grade) Kimberly joined DLA a couple of weeks ago and is a great student! She is a delight to have in class. I expect she will finish her classes and graduate soon! ~G. Rappe
- **Manuel Garcia!** (12th grade) Manuel has been making more progress than almost anybody the past few weeks. He works outside of school hours and he is supportive of his fellow students. ~A. Pearson
- **Miguel Salazar!** (12th grade) Miguel is a very hard-working student and is currently finishing his final elective courses. He will be another DLA graduate soon! Congratulations on being a STAR Student! ~C. Millard
- **Asael Santana!** (12th grade) Asael Santana is a student in my welding class at Douglass Learning Academy. He is working hard and doing a great job of learning the skill of welding. Asael hasn't been in my welding class very long but has made great progress for the time that he has been here. He plans to continue with the welding trade upon graduation from Douglass Learning Academy. ~T. Jones
