2021 was the breakout season! The Eagles claimed their first CIF championship in the 35+ years of swimming and diving with a season that was exceedingly unique and historic. No longer the hunter, SMCHS ranks as one of the top 10 high schools in the U.S., but with a roster loaded with experience and several talented newcomers, 2022 has the makings of being the best boys varsity in school history.

Leading off is our lone senior, **Ian Ascuncion-Duong**. Ian is a highly accomplished diver who placed 3<sup>rd</sup> at the CIF Division 1 championships last year. His 16 points scored made all the difference in the world when the team defeated Loyola HS for the CIF title by only 1.5 points!

With not a single senior on the swimming portion of the team, we start with the uber-talented junior class. **Nicholas Burke** is ready to make his mark on the swimming scene this year. With times now in CIF qualifying territory, especially his 4:41 in the 500 free, Nicholas has the ability to score points at CIF. Newcomer **Jacob Cadaval** is an exciting addition to the team from Esperanza HS. Jacob is a stout breaststroke swimmer who is under a minute in the 100 breast and also has a versatile range in all freestyle events. All-American **Allen Cai** swam in two CIF events in the 100 and 200 freestyle and anchored the CIF-title-clinching 400 free relay. One of the top college recruits in the nation, Allen is hungry for a big season in 2022. Transfer student **Jaden Ficklen** has top-end sprinting speed in freestyle and will threaten the school record in the 100 free. Jaden won the CIF title in the 100 and 200 freestyle for Calabasas HS last year and brings his freestyle prowess to the Eagles. **Tony Ju** made All-American in the 200 freestyle last season and swam a leg on the 200 freestyle relay team that shattered the school record. Tony has the legit ability to place in CIF finals in the 50 and the 500 freestyles. **Keller Morgan**, who verballed to USC, is the complete package of sprinter, distance ace, IMer. Keller made All-American in the 200 IM and 500 free last year and is eyeing the school record in the 100 breaststroke. 2021 was an amazing year for double All-American **Humberto Najera**. It started with qualifying and swimming at the U.S. Olympic Trials in the 400 IM, and culminated in a school-record and CIF title in the 200 IM. In **Jack Nugent's** first appearance in a CIF championship last season, he did not disappoint. Jack raced to two individual CIF consol finals in the back and IM and has seen his freestyle sprinting speed improve dramatically. Powerful breaststroke swimmer **Jacky Xing** showed his range to swim a 100 fly that scored at CIF. Jacky, a sub-2:00 200 breaststroker, he just missed the famed school record in the 100 breaststroke by a few tenths of a second.

With the addition of two transfers, the sophomore class is deep

and arguably the top group of sophomores in the nation. **Hunter Cehelnik** is a new transfer from Woodbridge HS who is coming off of a highly successful showing at Junior Nationals. A sprinter with :45 second speed in the 100 and a flyer ready to dip below :50, Hunter is one of the most talented natural swimmers in SM history and has zero limits. **Dean Fujimoto** is showing that he is ready for prime time with monster swims in the backstroke. Dean now towers over 6'2" and has the speed to qualify for CIF and eventually score points in his specialty. Perhaps the top sprint-backstroke combo swimmer in California, **Ramon Jiang** was the only freshman in the top 16 in the 50 free at the CIF Division 1 championships last year. Ramon can reach the school record in the 50 free and is just a few tenths of a second from smashing the school mark in the 100 back. **Daniel Verdolaga** threatened the hallowed school record in the 100 fly last year...in just his freshman season. Less than half a second away from legendary Grant Shoults' 100 fly record, Daniel made All-American and is ready to make his claim to history. **Nathan Wu** can smell the school record in the 100 breaststroke as he is less than half a second away from it...again in just his freshman year. Nathan has talent raging across all strokes, which makes him a talented IMer—he's ready for two CIF finals swims. **Jerry Yan** has worked incredibly hard in the high school off-season is mega improved in the back, the fly, and the sprints. Jerry broke the magic :50 barrier in the 100 fly last winter and combined with a backstroke time that will threaten the :50 barrier as well, Jerry is set for stardom in 2022. Arriving from Northwood HS, **Ryley Yoo** is just scratching the surface of his swim times. Ryley is a highly ranked butterflyer and breaststroke swimmer who can't wait to begin swimming for the Eagles and swimming at CIF.

While small, the freshman class makes up for quantity with quality. **Daniel Fu** was a surprise addition to the varsity, but he secured his roster spot with a spectacular Pentathlon and off-the-chart potential. A butterflyer and backstroke swimmer, Daniel's butterfly is particularly intriguing with him hitting a :53 already this high school season. **Matthew Kim** brings rapid swim times in multiple events ranging from the IM (1:57) to the 500 free (4:47). This advanced as a freshman, Matthew's future is intensely bright as a CIF qualifier and beyond.

Question: How good is the 2022 girls varsity? Answer: Scary good! Without a doubt, the most talented girls team in school history, which is saying a lot. On to their story...

Senior **Isabella Abrajan** starts the field with All-American times in the fly and back. Issie has signed with Duke University and wants to finish her SM career where it started at State finals. Captain **Lindsay Ervin**, a Northwestern signee, will go down in history as one of the best sprinters the school has known. A double CIF swimmer in 2021 in the 50 and 100, Lindsay is one of the few swimmers in CA who swam at the state championships. **Abigail Isaly** may have shocked the world last year in her 4:59 500 freestyle at CIF, but not to us. Abigail's hard work and determination showed us all that she could accomplish anything she set out to achieve. **Leila Kezelman** returns from a season cut short by injury. Selected as a team captain, Leila's spirit, positivity, and freestyle and IM times gives her the respect of her teammates. Olympic Trials finalist, **Justina Kozan** will wrap up her SM career as one of the most highly decorated athletes in school history. The school record holder in the 200 IM and double CIF individual champion in the 200 and 100 free last year, Justin will be heading to USC next fall. **Mirabella Levine** is a star breaststroke specialist who swam the breaststroke leg at CIF on the medley relay. Mirabella is versatile enough to swim any event for the team. Newcomer **Julia Stafford** has waited all year to swim for the Eagles. A Notre Dame signee, Julia is a IM who just missed the Olympic Trials time standards and a breaststroke swimmer who already ranks in the top 10 in SM history.

A super powerful junior class starts with **Ellie Davis**. Ellie continues to see time drops in the fly and is now ready to get into the :56 range. Ellie is improving in her freestyle as well and is a team leader through her example of discipline and effort. Arguably one of the nation's best swimmers with a huge ceiling, **Macky Hodges** was dominant last year and ready for the next step this year. All-American in the 100 through 500 freestyles, Macky has verballed to USC and has the skills to win state titles. **Asia Kozan** has always been a talented swimmer, but she made a gigantic statement last season with her first CIF title in the 200 IM. Her 2:01.40 gained her All-American recognition and the momentum that carried her through a fantastic summer where she is now one of the best distance swimmers (4:48, 500 free) in the U.S. **Lena Li** enjoyed her first CIF individual swim last year making it to the CIF consols in the 100 fly. Now nearing 6'0" tall, Lena is seeing her sprint freestyle time drop. **Maggie McGuire** dropped the hammer last year racing to her first CIF individual title in the 100 back. Against an impressive field, Maggie made a charge in the final 50 to win the title and earn All-American status in the back and the 500. **Abby O'Sullivan**, a Notre Dame commit, is one of the best distance swimmers in the state. Abby finalled in the 500 freestyle last year and grabbed her first All-American time in that event. Back after heading home to Italy for a year is **Matilde Turrini**. One of the rising swimming stars in Italy, Matilde has CIF times in multiple events and is being recruited by Ivy League schools.

**Linda Yu** had a smashing debut for the Eagles last year. Linda not only made 2, CIF finals in the 50 and 100 freestyles, but swam legs on 2, CIF championship relays—the 200 and 400 freestyle relays.

The sophomore class is small, but mighty. **Ariel Lin** may be the most improved swimmer on the team after 2 CIF consol swims last year. In 2022, Ariel has already broken the :24 and :52 marks in the freestyle sprints and is now a dominant flyer, back, and IM swimmer. **Monet Koorndyk** brings athleticism from cheer and gymnastics to the dive team. **Lauren Redfern** earned a CIF dive total last year and wishes to improve upon that finish. A multi-sport athlete, Lauren also stars in track. **Teia Salvino** absolutely crushed it in her varsity debut last year winning her first individual CIF title in the 50 free. An All-American in the 50 and 100 freestyles, Teia is extending her range to a 1:49 200 freestyle. **Sheridan Smith** was on her way to a big-time CIF finish until suffering an injury last year. Now healthy, Sheridan has some serious board skills and wants to dive at CIF. **Charlie Spittle** was our lone girl diver to place and score at CIF last year. Charlie will improve upon her 16<sup>th</sup> place finish and push to make All-American. **Makenna Wilson** receives the promotion from JV after a spectacular freshman year. Her hard work in the off-season resulted in a 2:09 IM and earned her a varsity nod.

The best freshman class in the U.S. Period! **Gracyn Aquino** currently ranks as the #5 swimmer in the 13-14 NAG in the 50 free. **Nicole Christensen** is a star breast and IM swimmer who can also swim distance. **Cameron Craycraft** brings gymnastics background to the dive team. Owing impeccable stroke technique, **Sammy Cummins** has a devastating butterfly and is a quality IMer. **Jenna Haigh** is a nationally ranked diver with CIF hi-end potential. History is being made in 2022. SM Swimming has been around since the late 80's and in all of the years, we have never seen a boys team as large and as talented as this one. The 70 boys in the program are set to make a run on the league titles on JV and Open.

The seniors begin with **Zach Cwiertnia**. Zach has signed with Pepperdine for polo and has sprinting and fly potential in swimming. **Naveen Gulati** won the consol finals in the JV 100 free last year and can make championship finals in '22. **Alexandre Han** had an amazing junior year with 2, top 6 finishes in the IM (2:13.29) and the 100 back (1:03.09) and the team needs him in his senior year. **Daniel Palfi** is a butterfly specialist and will add to the team with his freestyle sprinting. **Dylan Perez-Quevedo** scored points for the Eagles in the butterfly last season and aims to add more points to the team's league total. **Christian Slattery** placed in the championship finals in the 50 free in his first season with SM swimming in 2021.

Junior **Spencer Averitt** is a varsity water polo starter giving swimming a go with potential in the sprints. **Trent Coulston** massively improved last year and was the league runner-up in the 50 free with a :24.58. **Sander Dawson** found butterfly to his liking and placed 6<sup>th</sup> in the 200 free last year. **Diego Dilao** broke the school and league record in the JV 100 breast and wants to grab these records again and get a CIF time cut. **Sawyer Ellis** brings CIF experience to the Eagle after transferring in from JSerra—he scored in the 500 freestyle. **Darius Mahjoob** brings leadership and strong backstroke times to the team. **Ryan McClintick** shattered the school record in the 50 breaststroke (:30.31) last season and will extend his speed to the 100 distance this year. **Eugenio Navarro** dropped a sub minute 100 fly last season at league finals (:58.37) and finished in the 200 freestyle as well as swimming a leg of the league champion 200 free relay. **Andrew Smet** found his specialty last year in the breaststroke which also makes him a great IMer. **Richard Yu** garnered two, top 4 finishes in league in the IM and the 100 free—expect the same in '22.

Sophomore **Tyler Davis** has worked hard in the off-season joining a club to improve upon his top four finishes in the freestyle sprints. **Liam Dowd** gained experience last year in the back and free at league and will take the next step in '22. **Gage Kaltenbach's** water polo abilities translates into freestyle sprinting. **Cole Matsuoka** has star written over him as he is mastering all events in freestyle, including the 500. **Keegan McGann** will challenge for the league title in the sprints as he takes his 6'2" frame into the 50 and 100

freestyles. **Miller Redfern** excels in all strokes and will be an IMer to reckon with at league finals. **Christopher Rigoni** will add to the team in all events and distances. **Luca Simic** busted the 2:00 barrier in the 200 free as a freshman and is much improved from his spectacular freshman debut. **Riley Treister** has polo power to match his speed and will target Connor Cohen's mythic 50 freestyle school record. **Cooper West** showcases his speed in freestyle and backstroke. **Matthew Wood**, another water polo player making his SM swimming start, has the 2 meter strength to power through a butterfly event.

The largest freshman class in history blends their talents to the team. **Abanoub Abdelmalek** has the makings of a swift free and fly swimmer. **Evan Bueras** has already dropped 5 seconds in the 100 free at press time—league champion threat. **Andrew Curtis** has already shown promise in the breast and back. **Campbell Dorand** will translate polo into swimming speed. **Aron Farkas** is a team-first leader who makes his teammates better. **Griffin Gottron** has quickness that will lead to swimming success. **James Grayce** will begin his Eagle swimming career in 2022. **Christian Harter** is a power swimmer with off the charts potential in the IM and sprints. **Holden Levine's** butterfly (:57.32) and IM (2:11.03) will be tough to beat at league. **Luke Lewis** has the 6'1" frame to out-touch every opponent in a close race. **Daniel Li** has skills in free and back. **Dean Luke** will be a vastly improved swimmer by the league championships. **Hayden Mansoury** has found expertise in the breaststroke. **Joey Miller** is already demonstrating lightning racing talents in the free and fly. **Reagan Murray** will see time improvements in the back and free. **Jackson Nigro** has sprint speed (:24/:54) and 1:02.99 speed in the fly. **Brody Sasena** is a natural at breaststroke and freestyle. **Marek Seablom-Michel** wants to work hard and improve. **Eli Slattery** owns blistering speed in the fly and freestyle. **Pedro Tavares** is surprising the coaching staff with his all-around talents. **Aidan Thomas** has the potential to go :23/:51 in the sprints making him a major factor in league. **James Zhou** just may be the best breaststroke swimmer in the Trinity League's Open division.

The 2022 Girls JV and Open swim seasons have a promising light about them. After two years of uncertainty, fits, and stops, both the JV and Open teams are Trinity League favorites and well-positioned to make runs on a league title.

The senior class is led by **Carly McMurray**. A UCLA signee for water polo, Carly is a proven leader who brings sprinting speed to the team in the 50 and 100 freestyles. **Helena Salvino** is a 1:08 breaststroke swimmer who is aiming for a CIF time in the breaststroke event. Helena also possesses sprint freestyle talent as well.

The junior class has multiple students who will contribute to the league championship run. **Jasmine Allen** arrives from Canyon HS and is a Mission Viejo Nadadores in the off-season. Jasmine is a threat in the 200 free to win a league title. **Sara Block** invigorates the swim team with her water polo experience. Sara is a powerful sprinter and flyer. **Ava Chamkhaleh** took the Open league breaststroke title and wants to extend her winning streak. Ava adds IM and sprint freestyle to her repertoire. **Chloe Fetters** is in her third year with Eagle swimming. Chloe, also a standout water polo player offers versatility to the team by swimming whatever events the team needs. **Kassidy Goddard** threatened the 50 back school and league record last year. Now on JV, Kassidy takes aim on the 100 back record and will be a major contributor in freestyle. **Leah Healy** is the defending league 100 fly champion. A sub-minute flyer, Leah also earned her first CIF time last year. Polo standout **Natasha Kieckhafer** brings her polo sprinting speed to the team. Natasha will threaten the JV school record in the 200 freestyle in 2022. **Avery Plum** has improved each year she has been on the SM swim team. Her freestyle and breaststroke talents derive from her extensive polo experience.

A super strong sophomore class starts off with **Brooke Etter**. Brook raced to the Trinity League title in the 100 breaststroke last season and aims to get her CIF cut times. **Kaitlyn Krebs** is the reigning Trinity League champ in the 50 free. Her :24.98 in the 50 to win the title places her 36<sup>th</sup> in team history and garnered her a CIF consideration time. **Anna Krishnan** powered to the Open title and school record in the 50 butterfly in '21. Anna now moves up to the 100 yard distance on the JV level and looks to repeat her success. **Zoe Le** set the JV backstroke school and league record in 2021. Zoe is all set to break the mystic 1:00 barrier in the backstroke and improve upon her CIF consideration time from last season. **Kelly Lu** claimed the Open league title in the 100 IM last year with a 1:08.66. More school and league records are on the horizon for Kelly. **Katie Pfeiffer** is an ace butterflyer who took 2<sup>nd</sup> in league last season. One of the most amazing bakers at school, Katie often shares her love of baking with the team with her incredible

cookie recipes. **Bianca Temesvary** is just in her first year with Eagle swimming. However, she is already making a positive contribution to the team with her sprinting prowess. **Emma Tijanich** joins the team as soon as the Eagles basketball team ends their playoff run. Emma will blend her swimming talents to the team in all four strokes.

Ferocious and fabulous freshman frequent the roster. **Dolma Arow**'s backstroke and breaststroke are serious challengers to a league title. Watch out for mid-distance freestyle time drops too for Dolma. **Jamie Ciborowski** is a :26 50 freestyler with years of club experience. She will push for a league title and a CIF qualifying time. **Sofia Franco** has been a consistent hardworking swimmer for the Eagles. Through her commitment to improve, Sofia will see her times continue to drop. **Emma Gomez** has amazing talent in the fly and back. Also with distance free ability, Emma will be a major contributor to the program. All-around swimmer, **Danielle Gorrell** will have a challenge selecting just 2 individual events to swim at league. Danielle owns fly, breast, and IM, and a touch of distance freestyle to her resume. **Morgan Hoppe**'s blistering speed in the freestyle and backstroke has the Trinity League on notice. Morgan can aim for the record books in the 50 and 100 free, or backstroke. Water polo player **Brooke Kaltenbach** sees her polo experience as a major factor in helping the team. Keep an eye on her sprint freestyles. Improving sprinter and flyer **Addison Matthews** is hungry to improve. Her dedication to her craft parallels her time drops in the fly and freestyle sprints. **Sierra Mattox** is new to the swim program and is ready to learn and improve. Sierra will provide important depth to the team. **Keira Mayes** brings her effervescent spirit to the team. Keira's efforts to improve in the pool is obvious to the coaches. **Makena Moore**'s swimming skills point her to league finals in two events. It's up to her and her coaches to determine which two events to shine in. **Lucy Stiles** joins the team for her first year with the Eagles. An emerging freestyler, Lucy has many seasons of time drops ahead of her. **Fiona Xia** tried out for water polo and now adds swimming. Fiona invests the time after practice to continually improve. **Megan Zimmerman** has a refreshing attitude of positivity that buoys the team. Megan's freestyle sprinting is her mainstay with emerging speed in the back.
