

**Capital Improvements - Town  
Account Code #10780290**

**Narrative:**

Per the Town Charter, the Mayor shall present a program concerning municipal improvements and proposed capital projects for the ensuing fiscal year and for five (5) years thereafter. The Capital Improvement Committee, established by the Town Council and appointed by the Mayor, advises and assists the Mayor in preparing the Capital Improvement Program.

The Department's FY23 Request is a result of the committee reviewing capital project and equipment requests submitted by each department, office or agency. A public meeting was held on Saturday, February 5<sup>th</sup> 2022 to determine recommendations brought forth to the Mayor.

In addition, the FY23 proposed budget includes a transfer in of funds from the General Fund balance earmarked for expenditures related to road, sidewalk and parking lot improvements, one-time purchases and economic development projects.

**Debt Service Principal Payments  
Account Code #10883292**

**Narrative:**

Accounts for expenditures related to the principal payments of outstanding financial obligations secured by the issuance of bonds and any expected financing obligations such as the Waste Treatment Plant Upgrade project underway.

In addition, expenditures related to the principal payments as a result of the purchase of vehicles financed by leases are accounted for within this account.

In July of 2021, the Town closed on the first of two Permanent Loan Obligations (PLO) for the Waste Treatment Plant upgrade project. It is estimated that PLO #2 will be executed in May of 2023 upon final completion of the project. FY22 also included the last payment related to the external lease for three Fire Truck purchases executed ten years ago.

For FY23, one new internal lease is proposed for an Automated Side Loader (ASL) Refuse truck.
