Read Across America Day

Faculty, staff, and students at Albany Elementary School and Clinton County Middle School celebrated Read Across America Day on March 2, 2017. At CCMS, striped hats were abundant, silly socks were all around, classroom doors were

decorated, and 8th grade students read Dr. Seuss books to 5th grade students in the library. Albany Elementary School held a Family Literacy / Title I Night in celebration of Read Across America Day. Students enjoyed fun and games

related to Dr. Seuss and literacy as they rotated through stations. Books, backpacks, and t-shirts were given away as prizes. Students also enjoyed a surprise visit from the Cat in the Hat.

Born Learning Academy

The Born Learning Academy in Clinton County was hosted by the Albany Elementary School Family Resource Center, Clinton County Early Childhood Center, and members of the Early Childhood Council. Monthly meetings were held, starting in September 2016 and ending in February 2017. The final night of the Born Learning Academy for this school year was held on Monday, February 6, 2017 at the Clinton County Early Childhood Center. A new Academy will begin in September 2017. Clinton County parents of children

prenatal to five years old may attend. The United Way Born Learning Academy is an innovative approach that meets a critical need in Kentucky communities - early childhood parental education. A school-based Academy consists of six session workshops which provide parents with tools to help their child succeed in kindergarten and beyond. The goal of the Academy is to help prepare children for kindergarten by turning everyday moments into learning opportunities. Parents are engaged in hands-on activities and discussion about what it

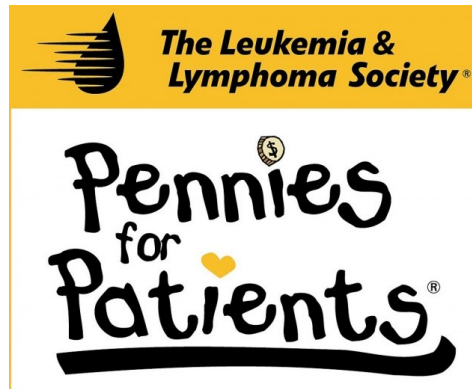

means to be ready for kindergarten and are offered strategies they can use at home to maximize their child's early learning and development. The intentional placement of a school setting allows for parents and children to gain insight and a level of comfort needed to help transition into school later. This is also an opportunity for school leaders to get to know the family and their needs - all leading to long-standing and positive parent-teacher relationships.

ECC Pennies for Patients Drive

The students at the Clinton County Early Childhood Center raised \$1,216.32 for the Leukemia and Lymphoma Society during their annual Pennies for Patients drive. This program is a service-learning project that gives students the unique experience of working together to help raise awareness and funds in honor of thousands of children and adults who are fighting against blood cancers. The class that raised the

most money was Mrs. Lezlee Young's morning preschool class with \$398.02. Mrs. Jamie Cooksey's morning preschool class was a close second place with \$373.78. Both classes were rewarded with pizza parties. ECC would like to extend a special thanks to Monticello Banking Company and to Mr. Willard Johnson for allowing the use of equipment to count and sort the pennies.

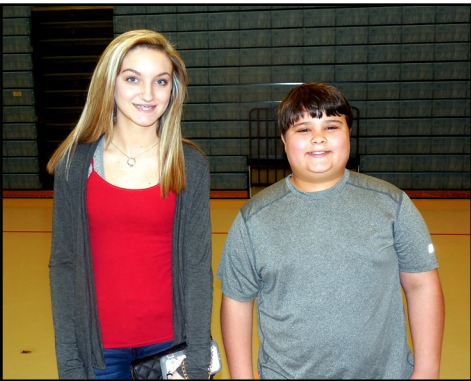

Healthy Hometown Fitness Buddies

Clinton County Healthy Hometown is continuing the exciting "Fitness Buddies" program for students at Albany Elementary School during the spring semester. Eighth grade students from Clinton County Middle School are taking a turn this time as "fitness buddies" for 3rd graders. During this program,

student volunteers from CCMS are visiting AES one day each week and working with 3rd grade students in the gym on fun, physical fitness activities. The goal of the program is to encourage students at both AES and CCMS to get up and get moving! Participants are challenged to complete weekly nutrition and

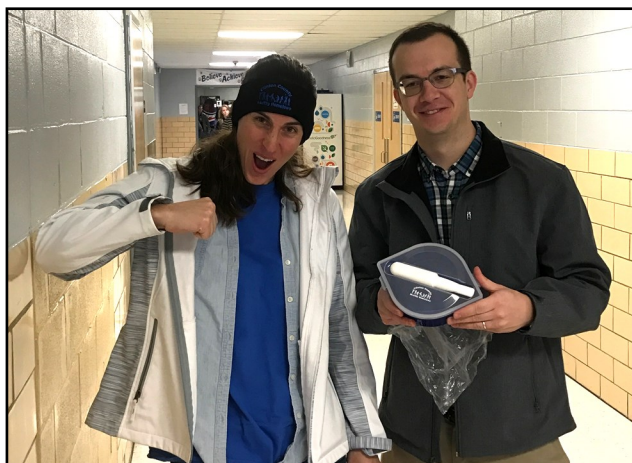

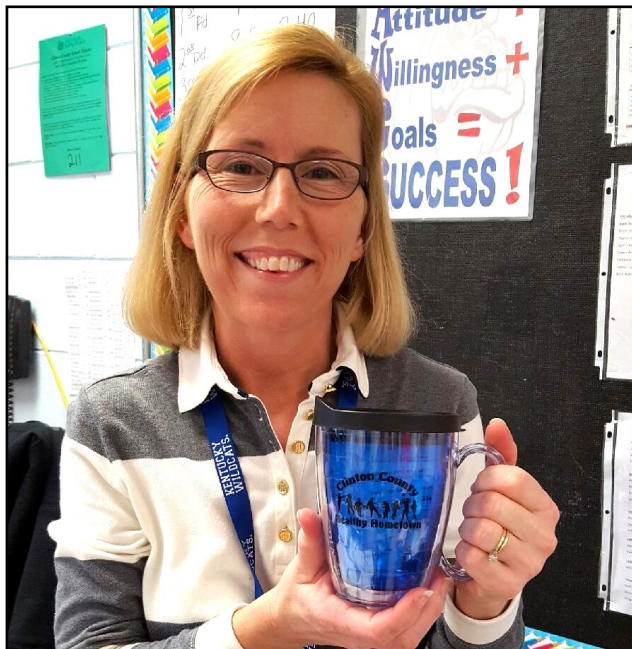

fitness goals, and are rewarded with small incentives along the way. Fitness Buddies participants will be rewarded for their hard work with a trip to Sky Zone in Lexington during spring break.

Be Active Club Awards

Clinton County Healthy Hometown recently awarded prizes to the faculty and staff

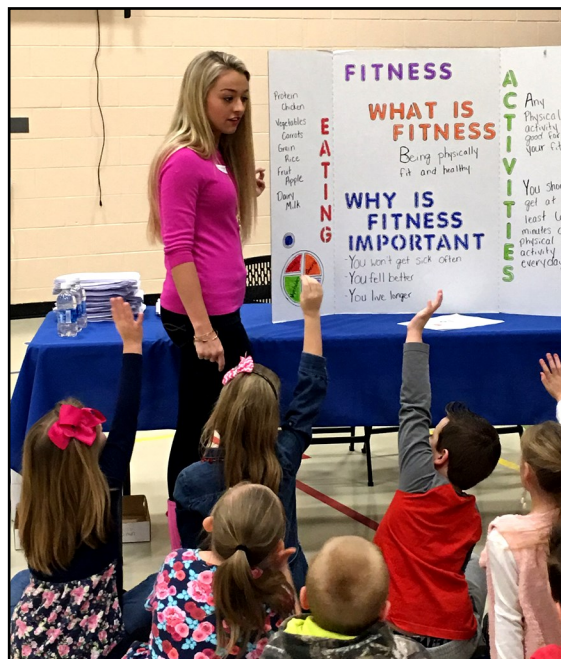

Be Active Club members at ECC, AES, CCMS, and CCHS. Prizes included wireless headbands, travel mugs, water bottles, lunch bags, snack trays, tote bags and umbrellas.

AES Health Fair

The annual Health Fair at Albany Elementary School was held on Tuesday, February 14, 2017 in the AES gymnasium. All students in AES participated in the Health Fair, where they learned about various health related topics as they rotated through several informative booths. The topics included: Physical Fitness, Dangers of Tobacco Use, Hand Washing, Dental Hygiene, Nutrition, and Water Safety. Special thanks to the following volunteers for their time and

commitment to the students and their health: Emily Hesse & Brenda Banning of Vision Eye Care, Christy Nuetzman & Stacy Smith of the Cooperative Extension Office, April Speck & CCHS Fitness Buddies Bailey Gibson and Casey Shelton of the Healthy Hometown Coalition, Matt Parmley of the Department of Fish and Wildlife, and Billie Frye & HOSA students from the Clinton County Area Technology Center.

Plié and Élevé

On Thursday, January 12, 2017, students in the Gifted & Talented program at AES, CCMS, and CCHS participated in the Day of Dance workshop with the Louisville Ballet Outreach Program. Dancers from the Louisville Ballet School taught

students about elements of dance, as well as ballet history, vocabulary, and steps. Participants learned to Plié (bend), Élevé (rise), and Sauté (jump). This energetic program had students up and dancing in no time!

CCMS Students Tour CCATC

The 7th and 8th grade students at Clinton County Middle School visited the Clinton County Area Technology Center on Wednesday, February 22, 2017 and toured the classrooms and learning labs. They received some insight from instructors and high school students into the classes offered at CCATC before registration begins.

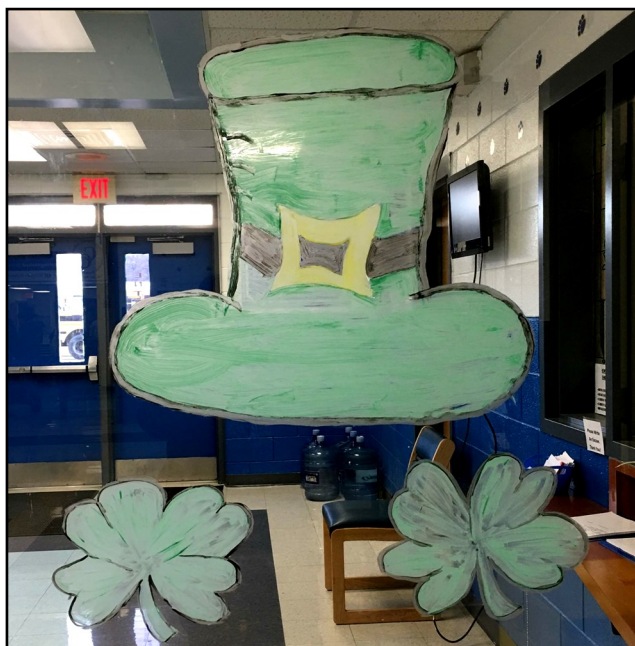

Art Students Decorate for Holidays

The 8th grade students in Mrs. Pam Miniard's art classes at CCMS put their painting

skills to work and decorated the lobby for Valentine's Day with hearts and cupids, and for

St. Patrick's Day with shamrocks and rainbows.

Oh, the Places You'll Go!

Let's Celebrate Dr. Seuss!

CCMS Students Attend KUNA Conference

The Clinton County Middle School KUNA students attended the Kentucky United Nations Assembly at the Galt House in Louisville on March 5-7, 2017. The Kentucky United Nations Assembly (KUNA) is a 3-day experiential learning conference in which students participate directly in simulated international diplomacy. KUNA offers students the opportunity to experience the richness of cultures from around the world, develop empathy, and hone their critical thinking skills while engaging with a wide variety of perspectives and global issues.

The CCMS group received the KUNA Conference Life Award, which is awarded to a Delegation of Excellence who created a positive environment and embodied the spirit of the conference. Additionally, the CCMS group received Honorable Mention ribbons for both their Global Village Booth and Cultural Attire. Christian Derryberry was awarded KUNA Outstanding Ambassador. Congratulations to the CCMS KUNA students and sponsors on these achievements!

Zheng Awarded WKU Scholarship

Clinton County High School senior Frank Zheng has been named as one of 16 students to receive the most prestigious academic scholarship awarded by Western Kentucky University, the Cherry Presidential Scholarship. The scholarship is valued at \$16,000 annually and worth \$64,000 during a four-year period. The students were among 45 applicants who visited WKU on February 10th for activities that included an interview. In addition to demonstrating outstanding academic achievement at the

secondary level, applicants submitted personal statements and essays as part of the selection process. The recipients had an average GPA of 3.96 and an average ACT score of 33. Frank is the son of Yao Zheng and Wen Juan Chen. He is actively involved in FBLA, Academic Team, FPS Team, FCCLA, Leo Club, and The No Kid Hungry Project. He is also an alumnus of the Governors Scholars Program, Governors School for Entrepreneurs, and Rogers Scholars Program.

High Performing District

Clinton County School District has achieved the designation of High-Performing District under the Unbridled Learning Assessment and Accountability System for the 2015-16 school year. This designation indicates that Clinton County is among the districts with an overall score between the 90th and 95th percentile. Our district's score of 70.5 comes as the result of the efforts of teachers, administrators, students, and parents. Congratulations!

Beck Attends Governor's Address

Clinton County High School freshman Conlan Beck attended the State of the Commonwealth Address with the First Lady's Youth Leadership Council in Frankfort on February 8 & 9, 2017, sponsored by the GEAR UP PALS program. Conlan is pictured at right, second from left.

"These council members serve as a voice for the voiceless, and it has been an honor to see what each of them have accomplished over the past year," said Kentucky's First Lady Glenna Bevin. The members of the FLYLC meet to discuss issues affecting local youth and work together to formulate solutions. As a result, Bills are being passed. House Bill 180, which establishes that the Cabinet for Health

and Family Services may approve placement for a child with those who are not related by birth or marriage, is one. During the retreat, Conlan attended the rally for child advocacy and luncheon at the Governor's mansion. Conlan was selected to sit at the table with Lt. Governor Jenean Hampton. Lt. Governor Hampton concluded the luncheon by addressing the members of the FLYLC and stating, "Your stories are powerful and need to be shared not only with other kids in Kentucky, but also with adults. The next generation of leaders are in this room today and I'm excited to see what you accomplish."

Students Learn About Craft Academy

On Tuesday, January 18, 2017, students in the Gifted & Talented program at CCHS enjoyed an informative visit with a representative from Craft Academy. The Craft Academy for Excellence in Science and Mathematics is a dual-credit residential high

school for academically exceptional Kentucky students. The Academy is housed on the campus of Morehead State University, consistently ranked as one of the safest campuses in the commonwealth. Craft Academy opened in August 2015, with the goal

of meeting the unique educational needs of academically gifted and talented high school juniors and seniors in the Commonwealth. A college-level curriculum allows students to finish high school while also completing up to two years of university coursework.

College & Career Readiness Luncheon

A College and Career Ready Valentine Luncheon was held on February 14, 2017 to recognize students who have attained the level of college and career readiness as reflected in

their ACT scores, Compass scores, or vocational studies exams. The celebratory lunch was held at Eben-Ezer Mexican Restaurant. After lunch, students returned to

CCHS enjoyed strawberries and brownies, prepared by the students in Mrs. Kayla Mora's class.

Edible Arrangements Event

On Monday, February 27, 2017, GEAR UP hosted an Edible Arrangement Event at Clinton County High School for freshmen and Link Crew students. Students were provided

with the food, equipment, and curriculum needed to turn grapes, berries, pineapple, and melon into beautiful bouquets. The activity was co-sponsored by 21st Century Community

Learning Center, Cooperative Extension Office, and Healthy Hometown Project.

“Pie in the Face” Fundraiser

To raise money for cancer research, the Clinton County High School Relay for Life team sponsored a "Pie in the Face" fundraiser at CCHS. The amount of money donated determined which teacher or administrator took a "Pie in the Face" at a pep rally on Friday, February 17, 2017. Canisters for voting were placed in all of the candidates' rooms or offices. Thanks to the following CCHS faculty for participating: Mrs. Aaron, Mr. Asberry, Mr. Bales, Mr. Bertram, Mrs. Conner, Mr. Dalton, Mrs. Guffey, Mrs. Lovell, Mr. Maupin, Mr. Miller, Mrs. Mora, Mrs. Musk, Mrs.

Neathery, Mrs. Norris, Mr. Prewitt, Mrs. Sloan, and Mr. Walker. The teachers who earned the most money were: 1st - Mr. Prewitt (\$109.04), 2nd - Mrs. Mora (\$101.69), and 3rd - Mr. Bertram (\$83.72). Additionally, the candidates who earned the least amount also received a pie in the face. Mr. Asberry and Mr. Maupin tied for the lowest amount earned, with \$4.46 each. The CCHS Relay for Life team raised \$515.47 during this event. Thanks to CCHS faculty for being such good sports!!!

Students Receive Industry Certification

Portable and stackable credentials enable Clinton County Area Technology Center students to begin building their career portfolio early and this is an advantage that many students at Clinton County Area Technology Center are taking advantage of this school year. It is expected that more than 80 ATC students will receive an Industry Certification within their Career Pathway this school year. By acquiring industry certifications with labor market value as a high school student, graduating seniors get a head start as they can continue to build on these to access more

advanced jobs and higher wages. Employers, schools, and students can have confidence that the credentials they are working towards are recognized across the country and perhaps even around the world.

Clinton County ATC currently offers the following Industry Certifications: **Welding** (AWS – Sense Certification & KY DOT Certification), **Business** (Assessment of Skills and Knowledge for Business {ASK}, Fundamental Business Concepts, & Concepts of Entrepreneurship/Management, & Microsoft Office Specialists {MOS}), **Industrial**

Maintenance (NCCER - Electrical {Level 1}, NCCER - Industrial Maintenance Electrical & Instrumentation Technician, & Certified Production Technician), **Health Sciences** (State Registered Nursing Assistant {SRNA}, Certified Pharmacy Technician, & Medical Lab Technician), **Carpentry** (NCCER Construction {Level 1}), and **Automotive** (ASE Student Certification—Maintenance and Light Repair). Pictured below are CCATC students who have completed Industry Certifications.
