Council Grove Elementary PARENT & SCHOOL COMPACT

The Title 1 Reading Program at Council Grove Elementary is designed to develop each student's potential in reading in order to achieve academic growth. The student, teacher and school must be willing to agree upon the responsibilities of each party in the learning process.

As a teacher, I will be responsible for...

- Communicating with the parent or guardian to provide the best education for each child
- Providing motivating and interesting learning experiences in the classroom focusing on student individual needs.
- Providing students with clear expectations in goals set for them in the classroom.
- Reading a variety of books to the students to spark interest.

As a student, I will be responsible for...

- Working on reading goals set by the teacher/school program – Read and Respond.
- Trying my best to have a positive attitude at school.
- Finishing assignments given.
- Managing to get things from school to home and back to school.

As a parent, I will be responsible for...

- Communicating with my child and his/her teacher.
- Accepting my children for themselves, not for their degree of performance or in comparison with siblings.
- Providing a quiet study time at home and encouraging good study habits.
- Providing a variety of reading materials in the home (magazines, comic books, books, newspapers and mail).
- Encouraging my child to read by reading to him/her and by reading myself and discussing what I have read.
- Making reading part of everyday life (road signs, grocery shopping, phone numbers.)
