

OFFER VERSUS SERVE (OVS)

National School Lunch Program

What is OVS?

The goal of OVS is to reduce food waste and allow students to choose the foods they want to eat. Everyone plays a role. When students and cafeteria staff understand OVS, lunch lines move smoothly, allowing students to make the most of the lunch break and enjoy the wholesome and appealing foods they are served. It also helps reduce overall food costs.

Schools must offer all five food components in at least the minimum required quantities:

- A **food component** is one of five required food groups in reimbursable lunches. These are meats/meat alternates, grains, fruits, vegetables, and fluid milk*.
- A **food item** is a specific food offered within the five food components. For example, spaghetti (whole grain-rich pasta with tomato sauce) is one food item that contains a grain and a vegetable component.

Under OVS, students must select *three meal components* to ensure they get the nutritional benefits of a meal. OVS is required for lunches served in high schools, but is optional in middle and elementary schools. OVS is not required for meals offered as part of field trips or for any other meals served away from the school campus.

The required five food components must be offered for school lunch. Students must select at least three of the five required food components, including at least ½ cup of fruit and/or vegetable, to have a reimbursable lunch. See the **Required Food Components** table for a listing of required food components and their minimum quantities that must be offered. Meats/meat alternates and grains are measured in ounce equivalents (oz eq is considered the amount of food product that is equal to 1 ounce).

Required Food Components

Required Food Component	Daily Minimum Requirements for Each Grade Level			
	K-5	6-8	9-11	12
Vegetables	¾ cup	¾ cup	¾ cup	1 cup
Fruits	½ cup	½ cup	½ cup	1 cup
Grains	1 oz eq	1 oz eq	1 oz eq	2 oz eq
Meats/Meat Alternates	1 oz eq	1 oz eq	1 oz eq	2 oz eq
Fluid Milk*	1 cup	1 cup	1 cup	1 cup

Is it Reimbursable?

Use this simple checklist to determine if student lunches are reimbursable under OVS:

- Does the meal offered to students include the minimum required amounts of vegetables, fruits, grains, meats/meat alternates, and fluid milk?
- Does the meal selected by the student contain at least three components, including at least ½ cup fruit and/or vegetable?

If the answer to each of these questions is yes, then the school lunch is reimbursable under OVS.

*Water does not count as one of the three required food components and cannot be served as a substitute for milk.

Color Your Lunch Tray!

Choose **3** or more food groups

Pick at least **1/2** cup fruit and/or vegetable
