Waiver and Release Re: Non-School District Transportation for School Trips

I/we, an adult student/parent/guardian of a minor student or parent/guardian of an adult student who is my dependent, hereby waive any district transportation of myself/my child, as applicable, for the following school-sponsored or student-endorsed trip:

_____ (insert description of trip)

on the following dates _____ (insert dates), including travel to and from any other point of departure/arrival, and do hereby fully and irrevocably release the District, its board members, agents, employees and insurers, from any and all risks, liabilities, and damages of any kind which may arise herefrom.

I/we understand that the District would make transportation available for an appropriate cost/fee in district-owned vehicles or by Board approved certificated common carriers in connection with this trip or activity if not waived. Even though I/we have been informed and understand that the District would provide such transportation, I/we decline the use of such transportation and waive any privilege or right which I/we may have to use such transportation in connection with the above listed trip. I/we further expressly represent and agree that the transportation in connection with the above listed trip or activity will be provided by a duly licensed person over the age of eighteen (18) in a vehicle with insurance coverage as required in the Commonwealth of Kentucky whom I/we expressly authorize to provide such transportation

I/we understand and agree, individually and on behalf of the student, that the Board of Education of Clinton County Schools, Kentucky, its officers, agents, and employees, assume no liability or responsibility, and will not otherwise be held accountable for either the means or safety of the transportation authorized herein in connection with the above school trip or activity. By signing this form, I/we specifically exercise the right and prerogative to transport or consent to the transportation by private means in a non-school vehicle to the destination(s) called for by the school trip or activity even though I/we understand District transportation is available. I/we further agree to indemnify, hold harmless and release from liability the Board of Education of Clinton County Schools, Kentucky, its board members, agents, and employees from any suit, demand, injuries, damages, or claims for damages of any form or description arising or said to arise out of the use of non-school transportation which I specifically authorize by signing below.
