Dear Senior Parents:

It's amazing how quickly this school year is coming to an end. I feel incredibly fortunate to have made such wonderful memories with a senior class that undoubtedly has the leadership qualities and abilities necessary to be successful after high school. I can only imagine how you and your graduating senior must feel about what may now seem to be fleeting memories of their time here at CGHS. Hopefully, their fond memories will be the source of many conversations with their fellow classmates and possibly even their own children in the future. Speaking of memories, we have one momentous occasion yet to look forward to: the Commencement Exercise for the Class of 2022.

If you are a January or Haber Oaks grad and have chosen to not participate in the graduation ceremonies, please let Mrs. Claypool know by Friday, April 29th. You may pick up your diploma in the Principal's office Tuesday, May 17th^t. No diplomas will be mailed.

The graduation ceremony here is a remarkably respectful celebration of many years of successful accomplishments. Our school community prides itself on the decorum displayed by all attendees of our graduation ceremony. Virtually all of our teachers attend our Commencement, and we view the ceremony as a very formal recognition of all that we (parents, grandparents, community members, staff, and *especially* graduates) have worked so hard to attain. With this recognition comes a commitment to hold this event in proper esteem by following a protocol for something so worthy. As such, I would like to take an opportunity to formally state a few expectations for that celebratory occasion:

Students are expected to dress for a traditional, serious, and important occasion. Their behavior should mirror this as well. Girls should wear a dress, skirt or dress slacks with a blouse and dress shoes. Boys should wear a suit or dress slacks and dress shirt with a tie, and dress shoes and socks. Caps and gowns must be properly worn. Cutoffs, shorts, jeans, swimsuits, gym shoes, hiking boots, combat boots, bowling shoes, canvas shoes and flip-flops will *not* be permitted.

Obviously we want every student to participate in this celebration. However, student participation in the graduation ceremony is a privilege. We insist that our students who take part adhere to the aforementioned dress and behavior expectations. Unfortunately, if they choose to do otherwise, they are also choosing not to participate. I apologize for the harshness of the previous statements, but I would rather be very clear about expectations than have a student make a poor choice that ultimately results in a missed opportunity to participate in a wonderful memory. That stated, I am extremely confident that this senior class will uphold the standards set by their predecessors and simultaneously model for our juniors what it means to lead by example.

A Few Graduation Protocols for Spectators

- Please turn off all cell phones upon arrival. If you are planning to videotape, please locate a place in our bleachers where you might get your best view without blocking the view of others.
- **Please save your applause until the last graduate's name is formally read.** Unfortunately, cheering for *your* graduate immediately after the announcement of his or her name diminishes the opportunity for others to hear their loved one's name announced.

Please discuss commencement plans with your students and family. As a staff, we too want to enjoy the ceremony with this fantastic graduating class. As such, we are hoping there will be no disruptions during the program. However, as your host, we will attend to any situation that warrants our attention. While we will share this message prior to the beginning of our ceremony, we are sharing it with you now so that you might discuss our protocol with extended family members and students before our Commencement Exercise. With your help, we are confident graduation will be an event that leaves lifelong positive memories.

Outdoor Graduation at 10:00 AM in the athletic stadium

We ask that immediate family sit in the home bleachers. All other guests are welcome to sit in the visitor bleachers or to find a place along the outside of the fence line of the track to view the ceremony. **In the interest of fairness to all, we will officially open the gates for seating at 8:30 AM. NO SEATING WILL BE HONORED PRIOR TO THIS TIME.** In the case of inclement weather, the exercises will be moved to the lower gymnasium (please see the details below).

Gymnasium Tickets for an Indoor Ceremony (in the event of inclement weather)

At graduation practice, seniors will each receive **four reserved gymnasium seat tickets** in the event that the ceremony needs to be held indoors due to inclement weather. These tickets may be used for gymnasium seating only. Please be advised that in order to accommodate all with gymnasium tickets, we will be tightly seated on what normally proves to be a hot and humid day.

Additional Seating in Auditorium (in the event of inclement weather)

Lottery forms for two additional graduation tickets for seating in the auditorium (simulcast) will be available in the main office from Monday, April 18 through Friday, April 29. Lottery winners will receive the extra tickets in addition to their 4 reserved gymnasium tickets at graduation practice. We are hopeful that we will be able to provide all applicants with at least two tickets. We will be happy to fill additional requests beyond these two tickets if additional seats are still available.

Handicapped Seating - Call to Reserve Seating

Please call the Vice-Principal's Office at least two days before the ceremony if you will need handicapped seating for one or more of your ticket holders. We will be glad to arrange it for you.

In the past, the senior class has designed and worn a senior shirt to school during the last few days of the year. We are fully in favor of this when done respectfully. T-shirts with inappropriate sayings or sayings that are designed with dual meanings disrupt the educational process here. Please help us to help your senior make an appropriate choice this year.

While all of the aforementioned information certainly seems overwhelming, we're providing it to you with the hope that clear directions and expectations will make this occasion truly memorable for all involved. Thank you in advance for your cooperation with our efforts to provide an outstanding ceremony for your student. I'm looking forward to celebrating the accomplishments of this senior class with you.

Sincerely,
Neil Lesinski
Principal
