

Dear Parent/Guardian,

Please carefully read and have **your physician complete the forms** according to the requirements. As Parents/Guardian, it is your responsibility to verify that the information is completed and uploaded to your **Magnus** Account by August 1, 2022.

**The deadline for uploading forms to Magnus is August 1,2022. No student may attend classes, tryouts, rehearsals, or practices until forms have been submitted/updated and reviewed by the School Nurse. This policy will be enforced by Administration.**

**Physical exams** are required for **ALL STUDENTS ANNUALLY**. Physical exams are preferred to be completed between March 1-July 15,2022 and **uploaded to your Magnus account by August 1,2022**.

**Record of immunization: Maryland Immunization Certificate Form (DHMH896)** must be up to date by August 1, 2022 and uploaded to your Magnus account. The State of Maryland requires an up-to-date record on file for a student to attend school. **Maryvale does not accept Religious Exemptions. All Medical Exemptions must be signed only by a licensed physician.** If Covid vaccinated/boosted, please upload a copy of the covid card to your student's Magnus account in the immunization section.

**Consent for Prescription Medication:** (EpiPens, antibiotics, inhalers) that may be needed during the school day must be accompanied by a written and signed order from the prescribing physician. The order is to be uploaded to the student **Magnus** account. The medication must be in the original container (your pharmacist can provide a labeled container for school use). To avoid an unexpected medication reaction, please administer first dose of the new prescription or over the counter (OTC) medication at home, except for "as needed" (PRN) emergency medications. If your student is required to carry an inhaler or EpiPen, (with signature permitting from authorized prescriber), it is strongly recommended that an extra inhaler or EpiPen is stored in the Health Suite for emergency use. Allergy Action Plans are completed annually by the health care provider and must be uploaded to your **Magnus** account. This is required for students with inhalers and EpiPens. Information regarding this is located on Magnus and the Maryvale website under QUICKLINKS/Health Forms. Medication may NOT be kept in a student locker or backpack. **Unused medication must be picked up by a parent at the end of the school year or it will be discarded.**

Complete/Update "**MAGNUS REQUIREMENT**" sections 1-5 *must be done annually*, and 6-10 *annually* if it pertains to your student.

**Baltimore County Department of Health/School Nurses and in compliance with the Nurse Practice Act, NO medication will be dispensed without written consent of the parent and physician.**

**Over the Counter Mediations (OTC):** Consent to dispense OTC medication is found on **Magnus**. Please update/complete by August 1, 2022. Dr. Teri McCambridge oversees the consent.

**MAGNUS HELP LINE: 1-877-461-6831 or [service@magnushealthportal.com](mailto:service@magnushealthportal.com)**

Your cooperation is appreciated. Please call 410-308-8533 or email us at [nurse@maryvale.com](mailto:nurse@maryvale.com) regarding any aspect of these policies.

**PLEASE DO NOT SUBMIT ANY FORMS TO THE HEALTH SUITE. ALL FORMS ARE TO BE UPLOADED TO YOUR STUDENT MAGNUS ACCOUNT.**

Sincerely,

Kelly Bonsack, BSN RN, Diane Richard, RN, and Dr. Teri McCambridge

- Medicines     Pollens     Food     Stinging insects

Explain "Yes" answers below. Circle questions you don't know the answers to.

GENERAL QUESTIONS	Yes	No	MEDICAL QUESTIONS	Yes	No
1. Has a doctor ever denied or restricted your participation in sports for any reason?			26. Do you cough, wheeze, or have difficulty breathing during or after exercise?		
2. Do you have any ongoing medical conditions? If so, please identify below: <input type="checkbox"/> Asthma <input type="checkbox"/> Anemia <input type="checkbox"/> Diabetes <input type="checkbox"/> Infections Other: _____			27. Have you ever used an inhaler or taken asthma medicine?		
3. Have you ever spent the night in the hospital?			28. Is there anyone in your family who has asthma?		
4. Have you ever had surgery?			29. Were you born without or are you missing a kidney, an eye, a testicle (males), your spleen, or any other organ?		
HEART HEALTH QUESTIONS ABOUT YOU	Yes	No	30. Do you have groin pain or a painful bulge or hernia in the groin area?		
5. Have you ever passed out or nearly passed out DURING or AFTER exercise?			31. Have you had infectious mononucleosis (mono) within the last month?		
6. Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise?			32. Do you have any rashes, pressure sores, or other skin problems?		
7. Does your heart ever race or skip beats (irregular beats) during exercise?			33. Have you had a herpes or MRSA skin infection?		
8. Has a doctor ever told you that you have any heart problems? If so, check all that apply: <input type="checkbox"/> High blood pressure <input type="checkbox"/> A heart murmur <input type="checkbox"/> High cholesterol <input type="checkbox"/> A heart infection <input type="checkbox"/> Kawasaki disease        Other: _____			34. Have you ever had a head injury or concussion?		
9. Has a doctor ever ordered a test for your heart? (For example, ECG/EKG, echocardiogram)			35. Have you ever had a hit or blow to the head that caused confusion, prolonged headache, or memory problems?		
10. Do you get lightheaded or feel more short of breath than expected during exercise?			36. Do you have a history of seizure disorder?		
11. Have you ever had an unexplained seizure?			37. Do you have headaches with exercise?		
12. Do you get more tired or short of breath more quickly than your friends during exercise?			38. Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling?		
HEART HEALTH QUESTIONS ABOUT YOUR FAMILY	Yes	No	39. Have you ever been unable to move your arms or legs after being hit or falling?		
13. Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 50 (including drowning, unexplained car accident, or sudden infant death syndrome)?			40. Have you ever become ill while exercising in the heat?		
14. Does anyone in your family have hypertrophic cardiomyopathy, Marfan syndrome, arrhythmogenic right ventricular cardiomyopathy, long QT syndrome, short QT syndrome, Brugada syndrome, or catecholaminergic polymorphic ventricular tachycardia?			41. Do you get frequent muscle cramps when exercising?		
15. Does anyone in your family have a heart problem, pacemaker, or implanted defibrillator?			42. Do you or someone in your family have sickle cell trait or disease?		
16. Has anyone in your family had unexplained fainting, unexplained seizures, or near drowning?			43. Have you had any problems with your eyes or vision?		
BONE AND JOINT QUESTIONS	Yes	No	44. Have you had any eye injuries?		
17. Have you ever had an injury to a bone, muscle, ligament, or tendon that caused you to miss a practice or a game?			45. Do you wear glasses or contact lenses?		
18. Have you ever had any broken or fractured bones or dislocated joints?			46. Do you wear protective eyewear, such as goggles or a face shield?		
19. Have you ever had an injury that required x-rays, MRI, CT scan, injections, therapy, a brace, a cast, or crutches?			47. Do you worry about your weight?		
20. Have you ever had a stress fracture?			48. Are you trying to or has anyone recommended that you gain or lose weight?		
21. Have you ever been told that you have or have you had an x-ray for neck instability or atlantoaxial instability? (Down syndrome or dwarfism)			49. Are you on a special diet or do you avoid certain types of foods?		
22. Do you regularly use a brace, orthotics, or other assistive device?			50. Have you ever had an eating disorder?		
23. Do you have a bone, muscle, or joint injury that bothers you?			51. Do you have any concerns that you would like to discuss with a doctor?		
24. Do any of your joints become painful, swollen, feel warm, or look red?			FEMALES ONLY		
25. Do you have any history of juvenile arthritis or connective tissue disease?			52. Have you ever had a menstrual period?		
			53. How old were you when you had your first menstrual period?		
			54. How many periods have you had in the last 12 months?

## CLEARANCE FORM

- Cleared for all sports without restriction
  - Cleared for all sports without restriction with recommendations for further evaluation or treatment for \_\_\_\_\_
  - Not cleared
    - Pending further evaluation
    - For any sports
    - For certain sports \_\_\_\_\_
- Reason \_\_\_\_\_

Recommendations \_\_\_\_\_

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

## Seizure Information

Seizure Type	Length	Frequency	Description

Seizure triggers or warning signs: \_\_\_\_\_

Student's response after a seizure: \_\_\_\_\_

### Basic First Aid: Care & Comfort

Please describe basic first aid procedures: \_\_\_\_\_

Does student need to leave the classroom after a seizure?  Yes  No

If YES, describe process for returning student to classroom: \_\_\_\_\_

### Basic Seizure First Aid

- Stay calm & track time
  - Keep child safe
  - Do not restrain
  - Do not put anything in mouth
  - Stay with child until fully conscious
  - Record seizure in log
- For tonic-clonic seizure:**
- Protect head
  - Keep airway open/watch breathing
  - Turn child on side

### Emergency Response

A "seizure emergency" for this student is defined as: \_\_\_\_\_

#### Seizure Emergency Protocol

(Check all that apply and clarify below)

- Contact school nurse at \_\_\_\_\_
- Call 911 for transport to \_\_\_\_\_
- Notify parent or emergency contact
- Administer emergency medications as indicated below
- Notify doctor
- Other \_\_\_\_\_

#### A seizure is generally considered an emergency when:

- Convulsive (tonic-clonic) seizure lasts longer than 5 minutes
- Student has repeated seizures without regaining consciousness
- Student is injured or has diabetes
- Student has a first-time seizure
- Student has breathing difficulties
- Student has a seizure in water

### Treatment Protocol During School Hours (include daily and emergency medications)

Emerg. Med. ✓	Medication	Dosage & Time of Day Given	Common Side Effects & Special Instructions

Does student have a **Vagus Nerve Stimulator**?  Yes  No If YES, describe magnet use: \_\_\_\_\_

### Special Considerations and Precautions (regarding school activities, sports, trips, etc.)

Describe any special considerations or precautions: \_\_\_\_\_
