WELCOME

The meeting started at 5:29 pm.

- Dr. Rudd informed the committee that all handouts and documentations are uploaded to MS Office 365 and to Google Drive.
- Members can at access information at any time to look at the documents and/or the minutes.

Review of Data from October DQIC Meeting

Dr. Rudd provided a review of data reviewed during the October meeting. Time was permitted to review the handout which provides a summary of the findings. Please add anything you think needs to be included. The information comes from comments written on post-it notes attached to each area.

Family Engagement

- Google classroom for parents. Provide an invitation or password to regulate access.
- Parent Day at games – session during a regular football game (perform with drill team, etc.).
- EL Parent workshops.
- Sixth grade annual parent meeting to discuss scheduling and what the atmosphere will be like when students transition from 6th grade to junior high. There has been great parent support for these meetings.
 - Provide a burrito breakfast for the parents and a Q & A session.
 - LVI provides a work excuse for parents who attend in support of their child.
 - LVJH Dixon has a Fish Camp for students transitioning to high school.

Connections to Community

- BRILLA – Baylor students go to Primary School and work with the dual language students.
- Texas State 4H math candidate.
- LVJH CIS students (fourth year) attend a free dance with refreshments for a portion of the day. A bus takes them to the venue. Information from Ms. Hesbrook.

School Climate

- Each campus or persons from the campuses, shared things they are doing on campus.
- Some items are things they would like to see happen on their campus.

Continuous Improvement Continuum – Dr. Rudd provided a review of the handout, "Partnership Development".

- What is the perception of where the district is in establishing partnerships with parents, businesses, and the community?

CLOSING

The meeting ended at 6:16 pm. The next meeting is scheduled for March 3, 2020.
