WELCOME & INTRODUCTIONS

The meeting started at 5:00 pm.

District Improvement Plan (DIP)

Dr. Johnson provided a review for what is needed regarding input for the District Improvement Plan. We will continue from where we left off with the Comprehensive Needs Assessment process. Members were invited to make suggestions for input. The DIP will go to the La Vega ISD Board of Trustees for approval after this committee reviews and suggests revisions.

- The committee tonight have been divided into groups that mirror the indicators in the document.
- Demographic data is what all groups look at to determine how to make improvements within any of the population groups.
- The DIP may change even after the La Vega ISD Board of Trustees approve it.
 - It is a working document that changes as the needs change.
- The Executive Summary is a guide for the DIP.
 - A list of data sources are listed at the top of the document.
 - A summary the district's needs and priorities are found here.
- Revisions – Blue font are newly added items and red font with a strikethrough are items suggested to be deleted.
- Please select one person per group to be the scribe to make changes. Place your name on the front as the contact person for follow-up questions.
- If you have any questions, you are welcome to call the office and ask for Dr. Johnson, Dr. Rudd or Mrs. Lang.

Share Out

- Each group shared their findings.
 - Recommendations for additions were provided.
 - Each group noted their changes on their DIP document which was provided as a handout.
- Mrs. Lang collected the documents to use in order to ensure recommended revisions are made.
