

Twenhofel Middle School, in partnership with students, families, and our community, provides quality learning opportunities in a safe environment. These various opportunities empower students to become life-long learners who possess the skills, confidence, and knowledge to meet the challenges of middle school and beyond. Staff members approach student situations according to the philosophy of Love & Logic.

* "I will treat you with respect, so you will know how to treat me."

* "Feel free to do anything that doesn't cause a problem for anyone else." * "If you cause a problem, I will ask you to solve it."

* "If you can't solve the problem, or choose not to, I will do something."

* "What I do will depend on the special person and the special situation." * "If you feel something is unfair, politely let me know, 'I'm not sure that's fair,' and we will talk."

Using this framework, students are often reminded of the following:

1. Treat other people the way you want to be treated.
2. If you don't have something nice to say, say nothing.
3. Keep hands and feet to self.
