

# DWIGHT SCHOOL SEOUL SUMMER ACADEMY

*Summer is for Trying.*

We are very excited to invite you to register for the Dwight School Seoul Summer Academy 2022, for ECD students. This session will run from July 4th to July 15th. Our team of experienced Early Years educators has worked hard to prepare a fun program that is rich in child-centered activities embedded in play and inquiry. This year's program will include the following;

## **Break down of the day:**

Program	Snack and Recess	Program	Lunch	Waterplay and Games	Program	Dismissal
---------	------------------	---------	-------	---------------------	---------	-----------

\*Please note the programs below are subject to change depending on the number of students who register.

**Dino Dig Camp:** Get ready for tons of fun with the Dino-Dig program. Students will investigate a myriad of dinosaurs, from tiny to titanic! Our young paleontologists will create clay-covered eggs, fossils, and a 3D dino structure in this prehistoric adventure.

**Print-Making:** In this program, young artists will delve into different techniques of print-making. Students will develop skills in layering, stamping, composition, and design as they explore various materials and approaches to art. Each of our young artists will leave with their very own portfolio of eye-catching prints!

**I like to Move It!:** This program is designed for our ECD friends to get in tune with their bodies and minds. Through kid's yoga and sensory play, students will be able to focus their minds, balance, stretch, and strengthen their bodies. With music and movement, they will release any stress and gain confidence from dancing!

**Kinder-Gardening:** With our love for all things nature we simply can't wait to get our hands and feet in the dirt. Our ECD friends will explore the importance of plants and seeds and learn just how to grow and care for our own little garden. We will be using our inquiry and observational skills to practice using our green fingers at this year's Summer Academy!
