

DWIGHT SCHOOL SEOUL SUMMER ACADEMY

Summer is for Trying.

We are very excited to invite you to register for the Dwight School Seoul Summer Academy 2022, for students in Grades 3, 4, and 5. This session will run from June 20th to July 1st. Our team of experienced educators has worked hard to prepare a program that is student-driven, inquiry-based, and most importantly loads of fun! This year's program will include the following;

Break down of the day:

Program	Snack/Recess	Program	Lunch	Water Play / Cooperative Games	Program	Dismissal
---------	--------------	---------	-------	--------------------------------------	---------	-----------

*Please note the programs below are subject to change depending on the number of students who register.

All Around the World: It's travel time!! The students will get immersed in different cultures from all around the world. The activities will involve learning some easy phrases from different languages in playful and fun ways through music and games, cooking traditional foods from different cultures, and doing arts and crafts projects representative of these cultures too. The students will take a virtual tour around the world and will collect stamps on their passports.

Math is FUN!: EVERYTHING AROUND YOU IS MATHEMATICS! Keeping math skills boosted in the summer doesn't have to be boring! This course helps students to develop a unique interest and a variety of mathematical skills in a fun, friendly, and engaging atmosphere. The following activities are some of the highlights of what is sure to be an amazing experience that you won't get anywhere else.

- Best action movie director (Speed and travel graphs)
- Rocketman (Angles)
- 007 (Transformation)
- Sherlock Holmes (Maths murder mystery problem)

Unicef Doll Making Project: This program is not only a fun and creative program to improve the students' hand sewing and crafting skills but is a project to help children around the world. The students will learn to hand-make dolls, which is part of a UNICEF campaign. The money from purchasing doll-making materials will be donated for vaccinating children and purchasing mosquito nets for mosquito-ridden areas.

Korean Songs & Art: Learn Korean songs and create fun crafts related to them. This program will see students listening to and learning various Korean songs. They will tap into their creativity to make a variety of crafts from various materials to celebrate their learning.
