Dear Nursery Parents and Carers,

Re: Increase in Nursery Fees – 1st September 2022

Parents and carers will be aware from our previous correspondence that our Nursery fees are reviewed at the start of each calendar year and any subsequent decisions communicated to parents in the spring with an updated fee structure coming into force from the 1st September each year.

I now write to inform you that following such a review please find attached our new fee structure from September 2022. Our fees have been incremented in line with inflation in order to sustain financial viability. Fee increases will be reflected in all invoices from the 1st September 2022. This forms part of our Admissions Contract and the Conditions of Placement.

We do hope that parents and carers understand the need to annually review our prices. We believe we continue to offer an 'Outstanding' (Ofsted November 2017), nurturing environment where children thrive and flourish at a highly competitive rate.

Yours sincerely

Miss C Thayre,

Executive Principal
