

Mr. Nedwetzky's Class Curriculum Night

August 17, 2021

Our Team

Classroom Staff:

Greg Nedwetzky - Classroom Teacher

Jayne McCarthy - Paraeducator

Related Services:

Annie Land M.S., CCC-SLP - Speech Language Pathologist

Jamie Bigley, MS, OTR/L - Occupational Therapist

Our Classroom Goals:

- Creating a highly visually based structured environment that promotes an understanding of schedules, activities and expectations.
- Respecting boundaries and personal space.
- Controlling behaviors that are unproductive and interfere with building positive relationships.
- Expressing frustration in a productive way.
- Making eye contact during interactions with peers and adults.

Our Classroom Rules:

No student has the right to interfere with another student's education.

Choose respectful language when speaking to others.

Keep your hands and feet to yourself.

Raise your hand for permission for your turn to speak.

Show respect when other people are speaking.

Raise your hand for permission to leave your seat during instruction.

Make smart choices.

A Message From Mrs. Solano:

In addition to attending Curriculum Night to learn about our class, please watch the following school wide Curriculum Night video to learn about our discipline process, Sanford Harmony, the PTA, Arrival/ Dismissal Reminders and so much more:

[Curriculum Night 2021 \(click here\)](#)

All students will also receive a pink Parent Agreement Signature Page which asks you to view three documents on our school website. Please review the documents online, sign the pink page, and return to school.

Thank you for attending!

Please let me know if you have any questions...
