Further Update - Nant only

Sadly, since the beginning of term we have had a very small number of pupils in Nant who have failed to use our new and refurbished toilets with the respect and maturity they deserve. This has resulted in us having to increase cleaning and expenditure as well as locking certain toilets at key points of the day when damage occurs to repair and /or clean (other facilities will always be available). We have on occasion found children eating and sitting on toilet floors, which is not hygienic; there is no need for this as there is ample seating available in various locations. The expenditure on additional repairs and cleaning is being redirected from other school resources that should be spent on pupil learning and resources. Pupils who are caught damaging property will have

individual consequences which may include payment for damage. We are formally considering how to increase supervision in these areas, which may include extending CCTV in outer areas. I would be grateful if you could discuss this with your child at an appropriate time. I am sorry I have had to share this message but the decisions and actions of a small group are having a negative impact upon everyone.
