has completed the following Professional Development Activity:

Title IX Decision Maker Training
Provided by Bricker & Eckler attorneys
Beverly Meyer and Laura Anthony

September 9, 2020: 2.5 hours

Lori Snyder-Lowe, Superintendent
Muskingum Valley Educational Service Center

Description of Provider

Muskingum Valley ESC is committed to providing quality, cost effective services to local school districts' parents and children. The extent and nature of these services is outlined in our Plan of Service which is reviewed and revised each year by our staff and local district superintendents. Services typically fall within the categories of district services to children and families, technical assistance, operational assistance, professional development and curriculum services.

Participant Reflection

How does this activity complement your district, building, and individual Professional Development Plan?

What are the implications for student achievement and school district operations?
