The River View Board of Education will meet in regular session on Thursday, September 10, 2020. The meeting will begin at 7:30 p.m. in the high school library.

As part of this meeting, the River View Local School District will be seeking public input for the use of federal monies under the Individuals with Disabilities Education Act for the 2020 – 2021 school year. The purpose of IDEA monies is to help pay the excess costs of providing special education and related services to children and youth birth to age 22 with a disability and served through an IEP.

Funds may also be used to support professional development activities to teachers and to provide trainings for parents of children with disabilities. The River View Board of Education welcomes suggestions for expending the IDEA monies.

Please feel free to contact Mrs. Sheri Fortune, Special Services Coordinator at 740-824-3523.

Thank You  
Mr. Dalton Summers, superintendent
