PREAMBLE

This Agreement is by and between Lodi Unified School District, hereinafter referred to as the District, and the California School Employees Association and its Lodi Chapter #77, hereinafter referred to as CSEA. The parties agree that article and section headings do not affect the scope, meaning, or intent of the negotiated provisions of this Agreement.

I. RECOGNITION

The District hereby acknowledges that the California School Employees Association and its Lodi Chapter #77, hereinafter referred to as CSEA, is the exclusive bargaining representative for all classified employees and all newly created positions except those that are lawfully designated certificated, management, confidential or supervisory. If an agreement to modify the exclusive bargaining unit is not reached by the District and CSEA, then these cases shall be submitted to PERB for resolution.

II. DISCRIMINATION

A. Title VII

Neither the District nor CSEA will discriminate in any manner against any employee because of race, religion, creed, national origin, age, or sex as provided by Title VII, Civil Rights Act.

B. Guarantee

Neither the District nor CSEA shall threaten or discriminate against employees exercising any of their rights guaranteed by law.

III. DISTRICT RIGHTS

A. Manage and Direct

The Association recognizes that the Governing Board has the responsibility and authority to manage and direct all operations and activities of the school district to the full extent authorized by law provided that such rights and responsibilities shall be exercised in conformity with the provisions of this Agreement.

B. Retained Rights

Within this framework, the Governing Board retains the right to hire, classify, promote, transfer, assign, evaluate, terminate, and discipline employees and to take action on any matter in the event of an emergency. The exercise of these responsibilities by the Board; the adoption of policies, rules and practices in furtherance of them, shall be limited only by the specific terms of this Agreement.

IV. ORGANIZATIONAL RIGHTS (Revised 1995-1996/2007-2008)

A. Rights (Revised 2007-2008)

CSEA shall have the following rights, in addition to those contained elsewhere in this Agreement:

1. The right to reasonable release time and access to areas in which employees work for the purpose of representing bargaining unit members on grievances. (See Article IV.B.2.)
2. The right to review employee personnel files, and any other records dealing with employees, when accompanied by the employee. (See also Article V.A.3. and .4.)
3. The right to use without charge institutional equipment, facilities, buildings, bulletin boards, mailboxes, for official communication directed to members by authorized organizational designees. The District shall be reimbursed for all costs (typically: long distance telephone charges, bulk paper, duplicating charges, and warehouse supplies) incurred. Except with prior written approval, use shall not disrupt the programs of the District and shall be at a time when the member is not required/scheduled to render service to the District (this does not apply to copying orders placed with the District's print shop).
4. To be supplied with an updated alphabetical list of all bargaining unit members to include hire date, classification, contract hours and location by the 1st of October of each year.
5. The right to review or receive upon request, copies of material related to wages, hours and other terms and conditions of employment which are relevant for CSEA to fulfill its duties and obligations as the exclusive representative of bargaining unit employees covered by this Agreement. If confidential material is released, pursuant to Article V.A.4. or another request, CSEA shall indemnify and hold the District harmless from any claims or lawsuits that result from CSEA's use of this material. (See also Article V.A.)
6. The right of release time for up to eleven (11) bargaining unit members, without loss of compensation, to attend the CSEA annual conference.
 - a. Other unit members will be granted release time to attend the CSEA annual conference either without pay or in vacation status.

7. An employee who is elected or appointed to a CSEA state office may be granted a leave of absence to conduct necessary CSEA business up to three (3) days per year. Should such officer find additional time necessary, he/she may petition the Superintendent for additional time with or without pay at the discretion of the Superintendent.

B. Job Stewards (Revised 2013 / 2016-2017)

The District recognizes the need and affirms the right of CSEA to designate Job Stewards. It is agreed that CSEA, in appointing such stewards, does so for the purpose of promoting an effective relationship between the District and employees by helping to settle problems quickly and at the lowest level of supervision.

1. CSEA shall designate Job Stewards and electronically notify the District in writing of their names and the group they represent. This electronic notice shall be made as soon as reasonably possible after appointment. If a change is made, the District shall be advised in writing of such change.
2. After receiving permission from his/her immediate supervisor, one (1) Job Steward shall be permitted to leave his/her normal work area to investigate, and/or present support material pertinent to resolving employee disputes. A newly appointed, inexperienced Job Steward may be accompanied by an experienced CSEA representative on his/her initial investigations (including related meetings) for training purposes.
 - a. Permission to leave shall not be unreasonably denied.
 - b. The Job Steward shall arrange with the supervisor of the grievant for a suitable time to conduct such business.
 - c. The Job Steward shall submit an agreed-upon form which sets forth the hours they were released and the general nature of the dispute which required his/her attention.
3. CSEA may appoint up to nine (9) unit members and the District may appoint up to nine (9) members of management to serve on the Employer-Employee Relations Committee. The purpose of the committee is to meet and discuss items of concern to each party and strive to work out solutions to solve them.

C. Contact By Employees

Except in emergencies (specifically limited to situations involving the health and/or safety of an employee), employees shall contact Chapter offices, Site Representatives, Job Stewards, and/or the Classified Personnel Office during non-work time. (Note: Added 1989-90)

D. Contract Review and Distribution (Revised 2013)

1. Upon completion of successor negotiations, CSEA shall review, and approve, a draft of the updated collective bargaining agreement (“Agreement”).
2. Upon approval (as evidenced by receipt of a signed copy of the Agreement), the District shall, within sixty (60) calendar days:
 - a. Post the Agreement on the District website; and
 - b. Supply thirty-five (35) printed copies of the Agreement to the CSEA President; and
 - c. Make printed copies available in the Personnel department to bargaining unit members upon request.
3. Subsequent Notification
 - a. New unit members shall be supplied with a copy of the Agreement at the time of employment.
 - b. Revision made to the Agreement during its term shall be posted. Printed copies shall be available in the Personnel department to bargaining unit members upon request.

V. EMPLOYEE RIGHTS

A. Personnel Files

1. The Personnel File of each employee shall be maintained at the District’s central administrative office.
2. Employees shall be provided with copies of any derogatory material ten (10) workdays before it is placed in the employee’s personnel file. The employee shall be given opportunity to respond without loss of pay. If a response is written, it shall be filed with the material.
3. An employee shall have the right to examine and/or obtain, at cost, copies of the material in his/her personnel file. Normally, the inspection is made at a time when the employee is not actually required to render services to the District (exception will be made for employees whose work hours coincide with the District Office work hours). (Revised 1995-96)

4. All Personnel Files shall be kept in confidence and shall be available for inspection only to other employees of the District when actually necessary in the proper administration of the District's affairs or the supervision of the employee. The District shall keep a log indicating the persons who have examined a personnel file as well as the date such examination was made. Such log and the employee's personnel file shall be available for examination by the employee or his/her CSEA staff representative (not a District employee), if authorized, in writing, by the employee.

The log shall be maintained in the employee's personnel file.

5. Any material written for placement in an employee's personnel file shall be signed and dated. Such material shall be initialed and dated by the classified personnel officer when placed in the personnel file.

B. Evaluation Procedure

1. All regular classified employees shall be evaluated by their immediate supervisor in accordance with the following schedule:
 - a. **Probationary Employees** may be evaluated at least once during the probationary period.
 - b. **Permanent Employees** in the unit shall be evaluated prior to their anniversary date and in no case less than once every year. Performance evaluation reports shall be made by the employee's immediate supervisor on forms prescribed by the District.
2. Any evaluation shall be based on the direct observation and knowledge of the evaluator. Any factor on the performance evaluation form marked "needs improvement" or "unsatisfactory" shall require constructive suggestions for improvement.
3. The immediate supervisor shall present the performance evaluation report to the employee and counsel with him/her. The evaluation shall be placed in the employee's personnel file only after a discussion has been held with the employee and he/she has had an opportunity to review and comment on it.
4. The evaluation form shall be signed by the employee to indicate receipt, and he/she shall be given a signed copy. Should the employee not agree with his/her performance evaluation, he/she may, within ten (10) working days, write a rebuttal which will be attached to the evaluation report. Performance evaluation reports shall be placed in the employee's personnel file maintained in the District office, and shall be available for review in connection with interviews.

5. Any employee in the bargaining unit may utilize the grievance procedure provided in this Agreement for resolving any procedural disputes arising under this Article.

VI. DEFINITIONS (Revised 2013)

- A. **Cause** - Relating to disciplinary actions against classified employees, means those grounds for discipline or offenses enumerated in the law or the written rules of a public school employer. No disciplinary action may be maintained for CAUSE other than as defined by the Governing Board.
- B. **Classification** - Means that each position in the classified service shall have a designated title, a regular minimum number of assigned hours per day, days per week, and months per year, a specific statement of duties required to be performed by the employees in each such position, and the regular monthly salary ranges for each such position.
- C. **Permanent Employee** - Is a regular employee who has successfully completed the probationary period.
- D. **Probationary Employee** - Is a regular employee who will become permanent upon completion of the prescribed probationary period which shall not exceed six (6) calendar months or 130 days of service from date of hire.
- E. **Reclassification** - Means the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in such position.
- F. **Regular Employee** - Is a classified employee who has probationary or permanent status.
- G. **Regular Employee/Short-Term Assignment** - (Added 1985) Is the assignment of extra hours to a regular employee for a limited period of time to perform a specific service that is not a part of or a continuation of a regular assignment; and upon completion of which, the specific service will no longer be required.
 1. It is the District's intent to make additional hours available to current District employees through extra short-term assignments whenever possible, i.e., when work schedules or site assignments do not conflict and employees are qualified to perform the work. Since this work is not ongoing in nature, the employee's basic or regular assignment will not be increased; however, sick leave and vacation entitlement will be prorated based on the additional hours. Employees will also benefit from additional income and PERS/Social Security credits, if eligible in their regular assignment.

2. Compensation for short-term assignments to regular employees shall be as follows:

- a. If the employee is currently in the same classification, at their same rate of pay; or
- b. If the assignment is to a classification with a higher range, the employee shall be compensated at the step which will provide at least a five percent (5%) salary increase except the employee may be placed on the last step of the appropriate range if that is the maximum allowable for that classification.

H. Seniority - For purposes of this Agreement, seniority shall be defined as the employee's hire date with the District. In the event two (2) or more employees have the same hire date, seniority will be determined by lot.

I. Electronic Notice – Unless otherwise specified, is defined as electronic notification to a District-issued email account.

J. Posted – Unless otherwise specified, is defined as posted, in writing, in accessible locations at District job sites and electronic notice to each Job Steward.

VII. HOURS AND OVERTIME

A. Workweek (Revised 2000-01)

1. Typical Configuration

The workweek for full-time employees shall consist of five (5) consecutive days of eight (8) hours per day and forty (40) hours per week.

2. Four Day Week

The District may establish a ten (10) hour per day, forty (40) hour, four consecutive day workweek for all, or certain classes of its employees, for employees within a class or for certain specified employees, provided the establishment of such a workweek has the concurrence of the Association.

3. Extension on Overtime Basis

This Article shall not restrict the extension of the regular workday or workweek on an overtime basis when such is necessary to carry on the business of the District.

B. Workday

The length of the workday shall be designated by the District for each classified assignment in accordance with the provisions set forth in this Agreement. Each bargaining unit employee shall be assigned a fixed, regular, and ascertainable minimum number of hours. The provisions of this Article shall not restrict the use of split schedules or shifts, or the extension of the regular working hour schedule on an overtime basis when such is necessary to carry on the duties of the District.

C. Shift Changes

The District shall, when permitted by the circumstances, provide an employee with two (2) weeks' notice of any shift change that alters starting or ending time by more than one (1) hour.

D. Adjustment of Assigned Time

Any employee in the bargaining unit who works a minimum of thirty (30) minutes or more per day in excess of his/her regular part-time assignment for a period of twenty (20) consecutive working days or more, excluding holidays, shall have his/her basic assignment changed to reflect the longer hours to acquire fringe benefits on a properly prorated basis.

E. Lunch Periods (Revised 2000-01)

An employee who has a workday of five (5) or more hours shall receive an unpaid duty free meal period of not less than one-half (½) hour nor more than one (1) hour. Whenever possible, this meal period will be scheduled during the middle of the shift. This section shall not apply to employees assigned to a split shift.

F. Rest Periods

Employees shall receive a fifteen (15) minute rest period in each four (4) hour working period. The immediate supervisor shall determine when the rest period is to be taken and the number of employees to be off at any one time. Each employee is expected to use this period for relaxation. This period is not to be used to lengthen the lunch period, shorten the workday, or make up for lost time.

Unit members who are denied the use of any break and/or lunch period will submit a timecard to be compensated for the time worked in addition to their normal schedule. This paragraph is intended to convey basic statutory rights.

The District will endeavor to make available at each work site adequate lunchroom and lavatory facilities for classified employees.

G. Overtime (Revised 2001-02)

1. For Full-Time Employees

- a. Overtime is defined as any time required to be worked in excess of eight (8) hours in any one day or in excess of forty (40) hours in any calendar week. Overtime hours shall be compensated at the rate of pay equal to one and one-half (1 ½) the regular rate of pay for the employee.
- b. All hours worked on the seventh consecutive day of work for full time employees shall be compensated at double the regular rate of pay.

2. For Less Than Full-Time Employees

- a. The workweek shall consist of not more than five (5) consecutive working days for any employee having an average workday of four (4) hours or more during the workweek. Such an employee shall be compensated for any work required to be performed on the sixth day worked following the commencement of the workweek at the rate equal to one and one-half (1 ½) the regular rate of pay of the employee designated and authorized to perform the work.
- b. An employee having an average workday of less than four (4) hours during a workweek shall, for any work required to be performed on the seventh day worked following the commencement of his workweek, be compensated at a rate equal to one and one-half (1 ½) times the regular rate of pay of the employee designated and authorized to perform the work.

3. Time for Payment (Revised 2013)

The employee shall be compensated for the overtime in the next practicable payroll.

H. Rotating Overtime (Added 2001-02)

1. General Provisions

a. Qualified Employees

Permanent employees in the following classifications shall be permitted to sign up for assignment of pre-scheduled overtime (see I.1.b. below):

Cafeteria Assistant I and II	Lead Custodian
Cafeteria Manager I and II	Lead Groundskeeper
Campus Security	Lead Heating & Air-Conditioning Tech
Carpenter	Lead Painter
Custodian	Locksmith
Electrician	Locksmith Specialist
Glazier	Maintenance I, II, and III
Groundskeeper	Mechanic I, II, and III
Head Custodian	Painter
Heating and Air-Conditioning Tech	Plumber
Lead Carpenter	Pool Maintenance Worker
	Utility Worker

b. Initial Placement on the List

(1) Separate lists shall be maintained for:

- (a) District-based Maintenance and Operations employees;
- (b) Custodians/Utility Workers/Campus Security (which shall be further divided by site).

(2) Interested employees in one of the above referenced classifications shall be placed on the appropriate overtime list in the following manner:

- (a) Permanent employees were initially placed on the appropriate list in order of seniority.
- (b) Permanent employees that sign up after a list is in existence shall be placed at the bottom of the appropriate list currently in rotation. Placement will not necessarily be in order of seniority.

c. Type of Overtime Assignments

(1) This sub-Article applies to pre-scheduled overtime with the exception of Cafeteria Assistant I and II and Cafeteria Manager I and II overtime.

- (2) In the case of Maintenance and Operation employees, it applies only to unskilled labor assignments (e.g., set up for graduation or school site transfers between tracks).
 - (3) It specifically does not include, for any employee, overtime which is an incidental extension of a normal work day.
- d. There shall be no trading of overtime assignments.
- e. In the absence of qualified volunteers, the District retains the right to assign overtime.
- f. A record of all overtime assignments will be maintained for twelve (12) months for reference.

2. Assignments from the List

- a. Rotation of the List
 - (1) An employee who accepts an overtime assignment shall be rotated to the bottom of the list.
 - (2) An employee who accepts an overtime assignment, and then is subsequently unavailable, shall be rotated to the bottom of the list.
 - (3) An employee who refuses an overtime assignment, which has been offered at least three (3) calendar days in advance, shall be rotated to the bottom of the list.
 - (4) An employee who must refuse an overtime assignment due to a subpoena, jury duty, or other verified school-related business, shall not be rotated to the bottom of the list.
- b. Unskilled Labor and Moving Assignments

Unskilled labor assignments shall be offered first to employees on the Maintenance I and II list and second to employees on the “All Other Employees” list.
- c. Assignments On an Emergency Basis

When overtime is necessary on an emergency basis, the District shall assign any employee it deems appropriate regardless of the nature of the work required.

d. Food Service Assignments

When overtime or extra hours are available at the end of the shift, that overtime or extra hours assignment shall be offered first to the employee on the overtime list for that shift.

3. Cancelled Assignments

When an overtime assignment has been accepted, and then cancelled by the District, the supervisor will attempt to give that employee a replacement. The attempt will be made during the period between the cancellation and when the employee's name next rotates to the top of the list. The replacement, if available, will come from a short-notice task and may not be equal in hours to the cancelled assignment. Only one replacement assignment will be made.

4. Removal from List

An employee's name shall be removed from the list for a period of six months if he/she:

- Unreasonably refuses offered assignments; or
- Fails to report to a scheduled assignment without proper cause; or
- Unsatisfactory performance, which shall have been identified for the employee on at least one prior occasion, while on the overtime assignment.

I. Extra Activity Assignment/Cafeteria (Clarified 2001-02)

1. When the cafeteria is to be used for extra activity assignments, at least one (1) cafeteria worker from that kitchen must be on duty to oversee the use of the kitchen and the equipment.
2. To be eligible for an evening extra activity work assignment, an employee must be at work to perform his/her regular assigned hours that day.
3. For the use of school sites by community or school functions, where employees in the bargaining unit are needed, an extra work activity roster shall be maintained at each work site. The list shall be for

seniority by hire date for each classification. This list shall rotate from greatest seniority to the least seniority for a fiscal year - July through June. If an employee passes by an extra activity work assignment, he/she shall be charged in the same manner as if he/she had worked and the list shall continue to rotate. Three (3) refusals shall eliminate that employee's name from the work roster for the remainder of the year.

4. Cafeteria employees who are assigned to extra activity work at school sites outside their normal working day shall be compensated for their services at the rate of time and one-half (1 ½). This rate applies whether or not the employee has worked an eight (8) hour day or forty (40) hour week. A minimum of two (2) hours will be granted for each occasion.

J. Compensatory Time Off (Revised 1986-87/2004-05)

A unit member shall be permitted to choose compensatory time off (CTO) in lieu of cash compensation provided he/she is "under" the vacation cap set forth in Article XII: Vacation (paragraph I). An eligible employee may have, at any time, up to eighty (80) hours of CTO on the Books. CTO shall be taken at a time mutually acceptable to the employee and the District. All CTO hours on the books on any December 31st shall be liquidated at the employee's hourly rate on that date.

K. Split Shift Premium (Revised 2000-01/2007-08)

1. Employees in the bargaining unit, whose actual work day contains a break:

- (3) The required contribution by the District for a full time retiree shall be the same dollar amount which is provided for a full time active employee in the month the benefit is received.
- (4) This benefit shall cease at the end of the month in which the retiree is eligible for MediCare or age sixty-five (65), whichever occurs first.

- (3) The required contribution by the District for a full time retiree shall be one-half the dollar amount which is provided for a full time active employee in the month the benefit is received.
 - (4) This benefit shall cease at the end of the month in which the retiree is eligible for MediCare or age sixty-five (65), whichever occurs first.
- 3. If an eligible retiree establishes a permanent residence out of the State or an area within the State where current plans are not available, he/she shall have the following options:

XIV. TRANSFERS

A transfer is a change of work site by an employee without a change in classification. A work site is defined as the school or District site to which the employee is assigned.

A. Employee Initiated Transfer (Revised 2013)

Permanent classified employees with satisfactory performance evaluations (i.e. received an overall rating of “Outstanding” or “Meets Standards”) are eligible to file a written transfer request with the Classified Personnel Department. The request shall be on the District form and indicate the job site(s) or one of the specific listed geographical locations to which transfer is desired.

Transfer requests must be received prior to the date of the vacancy being posted.

The Personnel Department will establish a voluntary transfer request list. Upon notification of a vacancy, the Classified Personnel Department shall contact regular, permanent employees qualified under the provisions of this article who have indicated an interest in the specific job site.

Regular permanent employees are limited to one (1) voluntary transfer during a twelve (12) month period.

Employees requesting transfers shall be considered on the basis of program needs, qualifications, evaluations and seniority in that order. If there are two (2) or more employees equally qualified, then hire date seniority within classification will prevail.

Reasons for denial of employee initiated transfers shall be given within five (5) days of the denial, if requested by the employee. An employee who has requested transfer and declines three (3) opportunities within one (1) year shall have his/her name removed from the transfer list.

C. District Initiated Transfers (Funding/Program Change) (New 1986-87)

Should any site experience a loss of funding or program changes, the displaced employee(s) will be transferred from the site to an available vacancy at another site based on seniority as follows:

1. A seniority list will be prepared for all employees in the classification, at the site, who are affected by the program change or funding loss.
2. Seniority will be based upon date of hire in the District in the affected classification.

Placement at the new site may not necessarily be in the same grade level, funding source or program. The preceding procedure shall only apply to transfers due to the circumstances set forth above.

The layoff procedure of this Agreement will be utilized when it is not possible to transfer a displaced employee to a vacant position.

D. Medical Transfer

The District may give alternate work within classification when available to a permanent employee who has become medically unable to satisfactorily perform his/her regular assigned duties. If an employee is unable to perform the duties of his/her classification, the District will make every attempt to provide alternative work, if available, in a classification for which the employee is qualified. The employee and CSEA shall be notified in writing within five (5) days whenever practical.

Employees who have test scores in their present classification meeting the qualifications of the advertised vacancy and have satisfactory performance evaluations shall not be retested.

1. Employees applying for promotional positions who are not performing duties which meet the qualifications of the new position may be required to take a practical job skill test.
2. In the event a practical job skill test is to be administered as part of the interview process, this requirement shall be noted in the Job Vacancy Announcement, and the test will be administered prior to the interviews.

D. Interview Team

1. A permanent employee in the bargaining unit receiving a promotion shall either be placed on step C in the new classification or be placed on that step which shall result in at least a five (5) percent increase in salary, whichever is greater; except that the employee may be placed on the last step of the appropriate range if that is the maximum allowable for that classification. A new anniversary date shall be established, and the employee shall serve twelve (12) calendar months before becoming eligible for each subsequent step increase.
2. The District shall not permanently fill the employee's previous assignment until the employee has satisfactorily completed the trial period.
3. An employee promoted to a higher classification shall satisfactorily complete a trial period not to exceed six (6) months; if the evaluations during the period show unsatisfactory performance, the employee will return to his/her former assignment.
4. The trial period will be offset (day for day) by time served in an IPO, "Interim Promotional Opportunity," in the same classification and same PCN "Position Control Number."

G. Consideration Of Probationary Employees

If there are no permanent employees in the bargaining unit who qualify for the job vacancy, then probationary employees may be considered. If a probationary employee is selected for the promotional vacancy, he/she will have to serve the entire twelve month probationary period in the new classification.

XVI. LAYOFF PROCEDURE (Revised 2004-05/2013)

A. Definitions

The following definitions shall be used in applying this Article:

1. Layoff: A layoff shall be:
 - a. an involuntary separation from active service of a regular classified employee

2. Reasons for Layoff: A layoff may occur for lack of work or lack of Funds.

3. Eligible Employee:

An eligible employee, for bumping purposes, is one who:

- a. has been notified of the elimination of his/her position and scheduled for layoff; or
- b. has been notified of a reduction of hours; or
- c. is subject to being bumped by a person defined in A.3.a. or A.3.b.

4. Job Profile:

Job profile means assigned hours per day, days per week and work year.

B. Seniority

- 1. Layoffs shall be made on a District wide basis in reverse order of seniority within classification.
- 2. Seniority shall be determined by date of hire with the District in a regular classified position. (Revised 1987-88)
 - a. Seniority shall be credited in the classification of layoff plus higher classifications in which the employee had regular status.
 - b. If two (2) or more employees subject to layoff have equal seniority in the classification of layoff, the tie shall be broken based on total length of District service as a regular employee; if a tie still exists, determination will be made by lot.
- 3. A break in service which is caused by resignation, dismissal, or other severance of the employment relationship shall establish a new hire date.

C. Notice of Layoff (Revised 2013)

- 1. The District shall give written notice to each employee subject to layoff or bumping. Notice shall be given at least sixty (60) calendar days prior to the effective date of layoff.

2. The notice shall contain the effective date of layoff, displacement rights, if any, and reemployment rights.

D. Reemployment Lists (Revised 2013)

1. Employees who have been laid off shall be placed on a reemployment list for a period of thirty-nine (39) months. The District shall provide the CSEA Chapter President a copy of this list quarterly. The Chapter President shall also be provided with a copy of the list within a reasonable time following a written request. Such requests shall not be submitted more than monthly.
2. Employees who experience a reduction in hours or a voluntary demotion to avoid layoff shall be given an additional twenty-four (24) months on the reemployment list (total sixty-three [63]).

E. Offers of Reemployment

1. Offers of reemployment shall be made in reverse order of layoff, within a classification, as vacancies occur.
2. Typically, an offer of reemployment will first be made verbally. Such a verbal offer will be confirmed in writing. Individuals will have three (3) working days from personal verbal contact to respond. CSEA shall be notified if the District is unable to contact an employee and shall have two (2) additional working days (total of five [5]) to assist the District in making contact before the employee is bypassed.
3. The individual's name shall be permanently removed from the reemployment list if:
 - (a) he/she fails to respond to an offer of reemployment in a timely manner; or
 - (b) he/she refuses two (2) offers of employment which would make them "whole."

F. Retirement in Lieu of Layoff

Regular employees who qualify may elect to accept a PERS service retirement in lieu of layoff, voluntary demotion, or reduction in assigned hours. Such employees shall, prior to the effective date of the proposed layoff, complete and submit a form to the PERS provided for this purpose. The employee shall then be placed on a thirty-nine (39) month reemployment list in accordance with this regulation.

G. Bumping Rights and Procedures

The rights and procedures set forth in this paragraph have been negotiated to afford senior employees the opportunity to protect their job profile by utilizing its provisions. During the term of this Agreement, this paragraph shall constitute the only procedure to be utilized when layoffs/reductions of hours are necessary.

1. Bumping in the Classification of Layoff

a. **By Work Site:**

(1) School Sites:

If the position of an eligible employee is eliminated at a school site, and other positions in the classification of layoff will remain at that site, the employee may bump any person in the classification at the site who has less seniority and the same or fewer hours in his/her position.

(2) Non-School Sites:

If the position of an eligible employee is eliminated at a non-school site, and other positions in the classification of Layoff will remain at a non-school site, the employee may bump the least senior person in the classification at a non-school site with the same or fewer hours in his/her position.

(3) General

If the District could have made the employee “whole” through the bumping process set forth in G.1 below, an employee who elects this process (bumping by work site) shall **NOT** have his/her name placed on the reemployment list.

b. **District-wide:**

(1) If an eligible employee does not, or cannot, bump another employee in the classification by work site (G.1.a.), the provisions set forth in this paragraph (G.1.b) shall apply.

(2) An eligible employee shall have the right to bump that employee in the classification of layoff who has the least seniority and a job profile that most closely approximates that of the eligible employee.

- (3) Notwithstanding G.1.b.(2), however, an employee may bump the least senior employee with that job profile immediately greater if that is the only choice available.

2. Bumping into a Prior Classification

- a. An eligible employee may, in certain circumstances (see G.2.b.), have the right to bump into a prior classification.
- b. An eligible employee only bump into a prior classification if:
 - (1) The prior classification was at an equal or lower salary level;
 - (2) A position in the classification of layoff or the same or lesser hours at the employee's work site held by a less senior employee; or
 - (3) The eligible employee had a regular status in the prior classification;
- c. An eligible employee may:
 - (1) choose a vacant position, if it exists; or
 - (2) bump the least senior employee in the prior classification by job profile (as measured by contracted hours on the date of layoff).

In either case, the personnel action shall constitute a layoff and the eligible employee shall have his/her name placed on the reemployment list for the classification of layoff.

3. Bumping Procedures

By classification, eligible employees will be sent a written notice of the scheduled layoff/job selection meeting. Copies of the written notices shall be provided to the CSEA Chapter President. At the meeting, District representatives will (in seniority order beginning with the most senior) advise each eligible employee of his/her options. CSEA will be invited to have a representative present.

- a. Options, depending upon availability, may include:
 - (1) A vacant position in the classification of layoff; or

- (2) A position in the classification of layoff or the same or lesser hours at the employee's work site held by a less senior employee; or
 - (3) A similar job profile position at another site in the District occupied by the least senior employee in the classification of layoff; or
 - (4) A vacant position in a prior classification in which the employee had prior regular status (see G.2.c.(1)) or the least senior employee in the prior classification (see G.2.c.(2) above).
- b. The eligible employee will have a reasonable time (typically five (5) to ten (10) minutes) to select from available options. A list of available positions will be provided at least one (1) hour in advance of the layoff/job selection meeting.
 - c. Should an eligible employee not elect layoff (in writing), and not be present when it is his/her turn to select, the District and CSEA shall place the employee in that least senior position whose job profile most closely approximates that eligible employee's current position unless CSEA has a written release from the employee to select another position.
 - d. Representatives of the Association shall be permitted to be present at all scheduled layoff/job selection meetings, and to advise employees regarding available options.

H. Miscellaneous Provisions (Revised 2017)

- 1. The District will, when possible, notify the CSEA President ninety days prior to the effective date of pending layoff actions which will affect employees within the bargaining unit.
- 2. An employee who is laid off and subsequently reemployed shall retain that seniority earned prior to the effective date of the layoff (i.e., he/she shall receive an adjusted hire date which is the original hire date minus the period of layoff).

XVII. DISCIPLINE OF PERMANENT EMPLOYEES (Revised 1988-89/1994-95/2004-05)

A. Definition

Discipline, as used in this Article includes, but is not limited to dismissal, demotion, suspension, or reduction in class without the permanent employee's voluntary consent.

This Article shall not limit the District's right to evaluate or to reprimand orally or in writing or to counsel employees. A layoff or reduction of hours, based on lack of work or lack of funds, shall not be considered discipline.

1. Permanent/Probationary

Bargaining unit employees with permanent status shall be subject to discipline only for cause pursuant to this article. The probationary period is an extension of the selection process. As such, a probationary employee may be terminated, at any time, at the sole discretion of the District.

2. Progressive Discipline

In accordance with the concept of "progressive discipline," counseling and an opportunity for improvement shall typically precede disciplinary action. In particular, this concept shall not apply in cases involving gross misconduct.

B. Causes for Discipline of a Permanent Employee

The District may discipline permanent employees pursuant to the following provisions:

1. The discipline shall be based upon just cause, including but not limited to:
 - a. Falsifying any information supplied to the District. This includes, but is not limited to, information supplied on application forms, employment records, loyalty oaths, time sheets or cards, absence forms or any other District records.
 - b. Incompetency or inefficiency in performance of the duties of his/her position.
 - c. Inexcusable neglect of duty.
 - d. Abandonment of position. Three (3) days of continuous absence without leave shall be deemed abandonment and shall result in termination as a voluntary resignation.
 - e. Repeated and/or unauthorized absenteeism and/or tardiness, including abuse of illness or other leave provisions.

- f. Commission of an act involving moral turpitude.
- g. Conviction of a felony, conviction of any sex or substance abuse offense made relevant by provisions of the Education Code, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of his/her position. A plea of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this section.
- h. An act of insubordination. This shall include, but is not limited to, refusal or failure to comply with a direct order and/or to perform regular or other assigned work and/or refusal to cooperate fully.
- i. While on duty: used, sold/furnished, or was under the influence of, or unlawfully possessed, any controlled substance.
- j. Consumption of an alcoholic beverage, or an intoxicant of any kind, while on duty or in such close time proximity thereto as to cause any detrimental effect upon the employee or upon employees associated with him/her. Specifically included is carrying an alcoholic beverage or intoxicant into a District facility or onto a District property.
- k. Knowingly provided, in a verbal or written manner, confidential employee and/or student records to an unauthorized person or persons.
- l. Dishonesty or theft, including deliberate destruction, damage or removal of District or another person's property.
- m. Unauthorized use, or misuse, of District supplies, materials, facilities or other property.
- n. Willful/knowing violation of District rules, policies or procedures. This shall also include refusal to obey safety rules or regulations made applicable to public schools by the State Board of Education or by any other appropriate state or governmental agency.
- o. Failure to possess or keep in effect any license, certificate, or other similar requirement required by the State of California for service in the employee's classification shall result in termination. An employee shall be given written notice of the District's intended action and entitled to a

hearing before the Director of Personnel to determine whether the employee currently possesses a valid authorization. (Revised 1994-95).

- p. Inexcusable, discourteous, offensive, or abusive conduct or language toward the public, a pupil, or another officer or employee of the District.
 - q. Conduct, either during or outside of duty hours, which negatively impacts the employee's ability to render service to the District.
 - r. Physical or mental disability as determined by competent medical authority, which precludes the employee from the proper performance of his/her duties and responsibilities, except as otherwise provided by contract or by law regulating retirement of employees.
 - s. It shall be a violation of District Policy for any transportation employee, or any other employee required to operate a motor vehicle or other dangerous equipment, to use prescription or nonprescription drugs during the time period beginning eight (8) hours before the onset of the work shift and continuing uninterrupted through the completion of the work shift, if such drug might impair the safe and efficient operation of equipment and/or a vehicle (i.e. the prescription or nonprescription drug contains a warning label on the bottle or package that use of the drug may induce dizziness, sleepiness, drowsiness or might impair the user's ability to operate a motor vehicle or dangerous machinery).
2. No disciplinary action shall be taken for any cause which arose prior to the employee becoming permanent, nor for any cause which arose more than two (2) years preceding the date of the filing of the notice of cause unless such cause was concealed or not disclosed by such employee when it could be reasonably assumed that the employee should have disclosed the facts to the employing district.

The parties acknowledge that, when determining the appropriate level of discipline to impose for a cause which has occurred within the last two (2) years, the concept of "just cause" includes a consideration of the employee's work record.

C. Procedure for Imposing Disciplinary Action on an Employee

1. Informal Conference

Except in cases where the employee is placed on administrative leave with pay (see XVII.D. below), an employee against whom disciplinary action is being considered shall be scheduled to attend a conference with the Director of Personnel or his/her designee.

- a. At such conference, the employee shall be informed orally of the specific disciplinary action being considered, as well as the reasons, and be given an opportunity to respond.
- b. The employee may be represented at such conference by a representative of his/her choice. Failure of the employee to attend the meeting shall not invalidate any disciplinary action imposed pursuant to this Article.

2. “Skelly Notice” and Hearing (More Than Four (4) Days)

- a. Prior to imposing a suspension without pay for longer than four (4) days, (including a recommended termination), the District shall give written notice to the employee (see XVIII.C.2 below).
- b. At a time not less than five (5) calendar days after the written notice of disciplinary action was personally delivered or sent to the employee by certified mail, return receipt requested, the employee shall be scheduled for a conference with the Assistant Superintendent of Personnel or his/her designee. At the “Skelly,” the employee shall be given the opportunity to respond to the charges.
- c. The employee may be represented at the “Skelly” by a representative of his/her choice.

3. Contents of Written Notice (All Disciplinary Actions)

The contents of a written notice of disciplinary action shall include, but need not be limited to, the following:

- a. A statement, in ordinary and concise language, of the specific acts and omissions upon which the disciplinary action is based;
- b. A statement of the cause, or causes, for the action taken;
- c. If it is claimed that the employee has violated a rule or regulation of the District, a statement of the rule or regulation;

- d. A statement of the discipline proposed, including beginning and ending date(s) if appropriate;
- e. A statement that the employee may file a request for hearing before the Governing Board directly with the Superintendent or his/her designee within ten (10) work days after service of the written notice (only after a Skelly decision has been rendered);
- f. A statement that if the employee does not respond pursuant to (e) above, the District will impose the discipline as noticed.

D. Immediate Effect

- 1. Notwithstanding other provisions of this Article, an employee against whom disciplinary action is to be taken may be immediately placed on administrative leave with pay upon verbal notification pending a hearing when the District determines that his/her presence would be detrimental to the welfare of the District, the pupils, the public, or other employees of the District.
- 2. This verbal notification shall be followed by service upon the employee of the written notice as set forth in XVII.C.3.
- 3. An employee may be subsequently suspended without pay after satisfaction of the “Skelly” due process requirements.

E. Association Representation

The employee may request the presence of an Association representative at any meeting scheduled by an administrator where disciplinary action is the subject of investigative questioning.

F. Hearing Before the Governing Board

- 1. If the employee served with a recommendation for disciplinary action files a timely request for hearing, the Governing Board may conduct such hearing itself or may appoint a designee to conduct such a hearing.
- 2.
 - a. Such designee may include, but is not limited to, a hearing officer (e.g., an Administrative Law Judge obtained through the Office of Administrative Hearings).
 - b. Any decisions rendered by such a designee shall be advisory to the Board.

3. If an employee requests a hearing and subsequently fails to appear at such hearing, the employee shall be deemed to have waived any right to participate or be represented at the hearing and action may be taken without further notice to the employee, based upon the recommendation for disciplinary action prepared by the Superintendent or his/her designee, and previously served upon the employee.
4. The hearing shall be conducted in closed session unless the employee requests a public hearing. The Board or its designee may deliberate in the absence of the employee and the District administration.
5. At such hearing, the employee shall be entitled to appear personally, to be represented by a person of his/her choice, to introduce relevant evidence on his/her behalf, to cross-examine witnesses and to challenge evidence presented by the District.
6. The Governing Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

G. General Provisions

1. Suspensions pursuant to this Article shall not reduce or deprive the employee of seniority or health benefits.
2. Nothing in this Article shall limit the District's right to institute dismissal and/or immediate suspension and mandatory leave of absence proceedings as set forth in the California Education Code, nor shall discipline under this Article be regarded as a precondition to any proceedings under the California Education Code.
3. A proposed disciplinary action may be settled at any time. The terms of such settlement shall be reduced to writing. An employee offered a disciplinary settlement by the District shall, if requested by the employee, be granted a reasonable amount of time to have the proposed settlement reviewed by his chosen representative prior to signing it.

XVIII. GRIEVANCE PROCEDURE (Revised 1995-96/2000-01)

A. Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise. These proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

B. Definitions

1. A “**Grievance**” is an alleged violation, misinterpretation or misapplication of the express terms of this Agreement which directly and adversely affects the grievant. Actions to challenge or change the terms of this Agreement shall not be considered a grievance. Matters for which a specific method of review is provided by law or by the terms of this Agreement are not within the scope of this procedure.
2. A “**Grievant**” is either:
 - a. A member/members of the representation unit; or
 - b. Chapter #77 either filing on behalf of a specific unit member(s) who otherwise qualifies as a grievant or in its own name;
 - c. If the claim involves an alleged violation of Organizational Rights (Article IV), CSEA may submit such grievance in writing to the Director of Personnel directly, and the processing of such grievance shall commence at Level II.
3. A “**Day**” is any day that the central administrative offices of the District are open for business.
4. The term “**immediate supervisor,**” as used in Article XVIII.C. is that supervisor designated by the District to evaluate the employee.

C. Preliminary Step - Informal Solution of Potential Grievance

Prior to the utilization of the grievance procedure, and within twenty(20) days after the grievant knows or should reasonably have known of the alleged violation, misinterpretation or misapplication of this Agreement, the grievant is required to schedule a meeting to discuss the problem in an informal conference with his/her immediate supervisor.

1. This meeting shall be arranged by the supervisor at a mutually convenient time. Either the grievant or the supervisor may have one conferee present at such conference.
2. Chapter #77, if filing as the grievant, is deemed to stand in the place of the affected employee for the purpose of determining knowledge of the alleged violation, misinterpretation or misapplication.

D. Level I

1. If not resolved to the satisfaction of the grievant at the informal level, the grievance may be presented to the immediate supervisor (e.g., the

site administrator, Program Director, etc.) as appropriate, within ten (10) days after the informal conference.

2. The grievance shall be submitted on the form which is Addendum #4-a.
3. If the grievance arises from alleged action or inaction of the Governing Board, or a member of the administration at a level above the immediate supervisor, the grievance shall be submitted to the Director of Personnel and processing shall commence at Level II.
4. The District shall issue a written decision to the grievant within fifteen (15) days after receiving the grievance filed pursuant to Article XVIII.D.1 if the Administrator does not convene a meeting (see D.5. below) or fifteen (15) days after the meeting, if one is held.
5. At any time prior to issuance of the decision in Article XVIII.D.4, either party has the right to convene a personal conference to discuss the grievance. Either the grievant or the respondent may have one conferee present at such conference.

2. This appeal shall be in writing, and shall be on the form which is Addendum #4-c.
3. The Board may, at its sole option:
 - a. Conduct a hearing in closed session to reopen the record for the purpose of receiving additional evidence necessary to resolve the grievance; or
 - b. Determine that the grievance may be finally determined on the basis of the record presented to it and render such determination.

H. Alternate Level IV (Advisory Arbitration)

If not satisfactorily resolved at Level III, the grievant may, with the concurrence of the Association, request arbitration of the dispute. The request shall be in writing and shall be filed with the Superintendent within sixty (60) days after receipt of the written decision at Level III. A thirty (30) day extension, if requested, will not be unreasonably denied. This appeal shall be in writing, and shall be on the form which is Addendum #4-c.

1. The arbitrator shall be selected from a list submitted by the State Mediation and Conciliation Service.

6. If either the Association or the Superintendent is not satisfied with the recommendation(s) of the advisory arbitrator, the matter shall be referred in writing to the Board of Education within fifteen (15) days after receipt of the advisory arbitrator's report. The Board shall, within thirty (30) days after written referral, render a final determination of the grievance and shall give its decision, in writing to the grievant, with copies to the Superintendent and the Association.

I. Final Authority

The power to render a final and binding determination regarding a grievance shall rest solely with the Board of Education of the District.

J. General Provisions

1. If the alleged grievance involves an order, requirement or other directive, the grievant shall fulfill or carry out such order, requirement,

or other directive, pending final decision on the grievance, unless there exists a clear and present danger to the employee.

2. An employee may present a grievance and have such grievance adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of this Agreement; provided that the District shall not agree to a resolution of the grievance until the exclusive representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response within five (5) working days.
3. If multiple grievances rise to Level IV on the same issue, the Association shall either consolidate all pending grievances or select one for processing. In the latter case, the decision rendered shall be applicable to all claims on the same issue which arose from the same set of circumstances.
4. Whenever possible, all conferences and investigations pursuant to this Article shall be conducted outside the hours the grievant or other involved persons are responsible for students. If required, reasonable time shall be allowed for processing grievances during normal working hours to the extent such release time does not unduly interfere with the employee's work or the normal operations of the District.
5. During the pendency of any grievance, and until a final determination has been reached, all proceedings shall be private and any preliminary disposition will not be made public without the agreement of all parties.
6. All documents, communications and records dealing with the processing of a grievance will be filed in a separate file and will not be kept in the personnel file of any of the participants unless the grievance (a) involved the imposition of discipline; and (b) is resolved in favor of the District; and (c) is ordered by the District Board.
7. Any grievance not appealed to the next step of the procedure within the prescribed time limit shall be considered settled on the basis of the answer given in the preceding step. Failure of the District to issue a decision within the time limit at any step shall be deemed a denial and shall permit the grievant to proceed to the next level within the applicable time limits.
8. Time limits set forth in this Article may only be modified by mutual written agreement of the parties involved.
9. Requests for necessary and relevant information shall be made as early in the process as reasonably possible. Subsequent clarification of requested information shall be granted, but new issues beyond those

originally presented shall not be introduced at any succeeding level. Additional facts, which are necessary to a resolution of the grievance as filed, may be presented at any time prior to final closure.

10. Any party may obtain the following information in possession of, or which may reasonably be obtained by, the responding party or the responding party's representative.
 - a. The name of each witness whom the responding party intends to call to testify at a Level IV proceeding;
 - b. Copies of written statements, if any, by any person whom the responding party intends to call as a witness;
 - c. As used herein, "responding party" shall mean the person of whom the information is requested.
11.
 - a. An individual filing a grievance must be personally present at each level of the grievance procedure. Failure to appear, unless the District has waived the requirement in writing, shall result in a finding that the grievance has been dropped.
 - b. If Chapter #77 has filed the grievance, not later than Level II, all persons alleged to have been adversely affected shall be named by CSEA (unless an entire classification is affected or unless the requirement is waived by the District).
 - (1) Either the District or CSEA may request a meeting with the affected employees to attempt resolution. If the District requests the meeting, CSEA shall contact the affected employees to inform them of the date and time.
 - (2) If an affected employee(s) does not attend the requested meeting, CSEA shall provide the District with all information related to the grievance which the District deems necessary to resolve the grievance. If all requested information is not provided, the grievance shall be dropped.
12. The date of receipt of each writing required pursuant to this procedure shall be determined as follows:
 - a. The date such writing is either personally delivered to the recipient or the day after such writing is deposited in the United States certified mail, addressed to the recipient at his/her last known address.

- b. For purposes of this procedure, the term “writing” shall include the grievance, the grievance appeal, the answer to the grievant, or grievance appeal, or any other required writing.
- 13. No arbitrator’s decision, or material element of the decision, shall be based solely upon hearsay evidence.
- 14. District responses will be mailed/personally delivered to the grievant and, if listed on the grievance, the Job Steward.

Implementation shall be effected with two (2) weeks of completion of the route selection process.

- e. Each driver will be permitted five (5) minutes to select a route package.

- (1) At the posted time each driver, in order of seniority, shall select any open route package which will be followed by a bus selection (of the size and/or type specified for the route). The bus route selected will be posted on a board visible to all drivers waiting their turn to select.
- (2) If at this time the driver fails to select a route, then the driver's name shall be placed at the end of the seniority list for bus route selections.
- (3) A bus driver who does not report at the specified time to select shall be passed over until they physically appear.

 - (5) A driver who does not exercise their selection right on route selection day shall have no claim upon a route already selected.
- f. Complete results of the route selection process will be posted within twenty-four (24) hours of completion of the route selection process. Bus drivers may protest a procedural aspect of the route selection process, except seniority pursuant to 3.c. below, through the grievance process.

3. Seniority

- a. Seniority will be the sole determining factor in the selection of a bus route package. Seniority, for purposes of this sub-article, shall be based on the driver's original District hire date in the Transportation Department.
- b. In the event two (2) or more regular employees have identical hire date seniority, the tie shall be broken by lot.
- c. A list showing hire date of the employees of the Transportation Department shall be posted by the first of each month on the employee bulletin board and remain posted throughout the entire month. Any protest regarding an employee's placement on the seniority list shall be made to the Director of Personnel. Such protest will be resolved through an expedited grievance process prior to the commencement of the route selection process.

4. Reselection

If a bus route package has increased by one-half (1/2) hour or more during a school year, due to assignment increases or additions made by geographical location, the bus route package will be posted for route selection in accordance with the process outlined in Paragraph "5" below.

5. Route Vacancies or Newly Created Routes

- a. Should a bus route package become vacant, or a new bus route package be created at any time other than between the start of school and the annual route selection process, the

vacancy will be filled through the process set forth in this paragraph (5). The vacant bus route package shall be posted for five (5) work days. Any driver wishing to select the route will do so in writing within the five (5) day period.

Bus route packages shall remain intact unless time is allowed for proper school, student, parent notification of a change in bus.

Subject to the provisions of 5.b. below, the District shall award the route to the most senior driver. The results will be posted within three (3) work days of the closing.

6. Hour Adjustment

- a. Payroll hours for all bus route packages will include pre-trip/post-trip, cleaning and fueling time.

If a bus route package loses time after the annual selection process, it is the District's responsibility to fill the hours until a vacancy or newly created route with the appropriate number of hours becomes available. At the time, the driver will be offered the assignment and have the right of first refusal. If the under-hour driver refuses the bus route package, it will be considered a voluntary reduction in hours.
- c. A driver whose bus route package is less than their assigned hours, shall, at the discretion of the District, be assigned extra work within their job description whenever feasible.

7. Route Exchanges

An employee, after performing his/her selected route for a period of four (4) weeks, who wishes to exchange their route with another employee, may post a notice in the driver's lounge. If another employee with the same number of months and hours in their

assignment wishes to exchange, these employees may submit a joint request to the Director of Transportation for approval.

8. Special Provisions

- a. Notwithstanding the provisions for route selection, the District necessarily retains the right to assign drivers to bus route packages in variance with route selection results when the assignment is made for reasons of (1) safety; (2) benefit of students or bus drivers; or (3) for the efficient operation of the Transportation Department. selection occurs. Employees will not be recalled from approved leaves of absence for the purpose of alcohol or controlled substance testing.

- c. The selection of drivers for random testing must be solely by chance utilizing a random number table of a computer-based random number generator matched with social security numbers.
- d. The dates for random tests shall be unannounced and spread reasonably throughout the year. Each person in the random pool must have an equal chance of selection each time random selections are made, regardless of whether the person was previously tested that year.

Note: The parties acknowledge that testing for 1995 must be compressed to complete testing by December 31, 1995.

6. TESTING PROCEDURES

All tests for alcohol or controlled substances must comply with the requirements for such tests set forth in Title 49 of the Code of Federal Regulations, Part 40. In addition:

- a. The immediate supervisor of a driver shall not serve as either a collection site person for controlled substance testing or as a breath alcohol technician for alcohol testing of that driver.
- b. All testing shall be conducted in a private setting and, in the case of controlled substance testing, no direct observation of a driver's urination by a collection site person is permitted except for the reasons stated in Title 49 of the Code of Federal Regulations, Section 40.25, subdivision (e), and then only by a same gender collection site person who is not employed by the District.
- c. The testing laboratory for controlled substance testing must be a laboratory certified for such testing by the U.S. Department of Health and Human Services. A split sample test requested by an employee shall be conducted at a different laboratory than the one which conducted the initial test(s).
 - 1. Any tests that do not comply with the requirements of paragraph (3) above shall be treated as negative tests.
 - 2. A split sample test shall be paid for by the employee. If the test is negative, the District shall reimburse the employee for the cost of the test.

Note: The District will select the Laboratory. The District will

formulate a procedure to address any complaints which surface regarding the Laboratory. If complaints with validity are received, and if requested by CSEA, the District will meet with CSEA to evaluate whether a change of Laboratory is warranted.

- d. A refusal to submit (to an alcohol or controlled substance test) means that a driver:
 - 1. Fails to provide adequate breath for alcohol testing without a valid medical explanation after he or she has received notice of the requirements for breath testing in accordance with the provisions of the District's policy; or
 - 2. Fails to provide an adequate urine sample for controlled substances testing without a genuine inability to provide a specimen (as determined by a medical evaluation) after he or she has received notice of the requirements for urine testing in accordance with the provisions of the District's policy; or
 - 3. Engages in conduct that clearly obstructs the testing process.
- e. A driver who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the District to have refused to submit to testing. This shall not be construed to require the delay of necessary medical attention for injured people following an accident or to prohibit a driver from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident, or to obtain necessary emergency medical care.
- f. The consequences of a driver's refusal to submit (to an alcohol or controlled substances test required under post-accident, random, reasonable suspicion or follow-up testing) will be that the District will prohibit the driver from performing or continuing to perform safety-sensitive functions.
- g. If an employee refuses to submit to drug or alcohol testing, that driver shall be subject to disciplinary action in accordance with the District/CSEA collective bargaining agreement.

7. POSITIVE TESTS

- a. A positive test for alcohol must be either (1) a confirmation test by an evidential breath testing device capable of printout and sequential numbering and must show an alcohol concentration of 0.01 grams of alcohol per 210 liters of breath or greater; or (2) any other test authorized

by Title 49 of the Code of Federal Regulations. Such a test is positive even if that concentration is caused by prescribed medication.

- b. The medical review officer will determine if a confirmation test for controlled substance is positive in accordance with Title 49 of the Code of Federal Regulations, part 40, by using a gas chromatography/mass spectrometry technique.

- c. No positive test for controlled substances or alcohol, conducted pursuant to this agreement, shall be reported to the employer until after:

- a. For alcohol and controlled substances:

The medical review officer has made all reasonable efforts to contact the driver (and documented them) on a confidential basis, and attempted to give the driver an opportunity to discuss the test results and the driver's medical history, including medication, in confidence.

- b. For controlled substances:

- (1) The medical review officer has given the driver, within 72 hours of the driver's notification that the test was positive, an opportunity to request that the remainder of the split sample be tested by a different laboratory, certified by the Department of Health and Human Services;

- (2) The remainder of the split sample has been tested and found to be positive, or no timely request for such a test is made by the driver.

- d. If the medical review officer concludes that there is a legitimate medical explanation for the positive test, such as prescription or over-the-counter medication, or a negative result in the test of the remainder of the split sample, the medical review officer must report the test to the employer as a negative test.

- e. The medical review officer shall be a licensed physician with (1) special knowledge of substance abuse disorders, (2) appropriate medical training to interpret and evaluate an individual's confirmed positive test and (3) knowledge of the medical use of prescription drugs and the pharmacology and toxicology of alcohol and controlled substances. The medical review officer shall not be an employee of the driver's employer.

Note: The District will select the Medical Review Officer. The District will formulate a procedure to address any complaints which surface regarding the Medical Review Officer. If complaints with validity are received, and if requested by CSEA, the District will meet with CSEA to evaluate whether a change of Medical Review Officer is warranted.

- f. The cut-off levels in this section are those required by FHWA regulation.
 - 1. They will be automatically adjusted to be consistent with changes, if any, in the levels specified by those regulations (See 49 C.F.R. Section 40.29, subdivision f).
 - 2. On the date of this Side Letter, the most relevant cut-off levels are:
 - (1) 15 ng/ml (nanograms per milliliter) of marijuana metabolite;
 - (2) 150 ng/ml of cocaine metabolite;
 - (3) 300 ng/ml of opiate metabolite;
 - (4) 25 ng/ml of phencyclidine; or
 - (5) 500 ng/ml of amphetamine or methamphetamine.

8. EFFECTS OF A POSITIVE TEST

- a. Any driver who tests positive under the testing procedures (random, post accident, reasonable suspicion, return to duty and follow-up tests) will:
 - 1. If the positive test is an alcohol test showing an alcohol concentration of 0.01 or greater, but less than 0.04, the driver will be placed on unpaid administrative leave for 24 hours or, at the option of the employer the driver may be assigned to duties that are not safety sensitive for the same time period. If additional discipline is warranted, it will be based upon an assessment of all relevant factors. No discipline shall be imposed if the low concentration of alcohol occurs from normal metabolism of food.
 - 2. If the positive test is .04 or greater for alcohol, or positive for any controlled substance the driver shall be subject to disciplinary action in accordance with the District/CSEA collective bargaining agreement.
- b. In addition, drivers will also be subject to discipline if:
 - 1. The driver refuses to submit to a test authorized by this Side Letter;
 - 2. The driver fails to complete rehabilitation recommended by the substance abuse professional which has been approved by the District; or
 - 3. The driver subsequently tests positive for alcohol and/or for controlled substances after a return to duty test following completion of rehabilitation.

- c. A permanent driver is entitled to all due process rights pursuant to the District/CSEA collective bargaining agreement. A probationary driver, as a continuing part of the selection process, is subject to immediate termination.
- d. Subject to the disciplinary provisions of the contractual agreement, the driver shall be evaluated by a substance abuse professional, who shall determine what assistance, if any, is needed to resolve alcohol or controlled substance problems. Any assistance sought by the employee shall be paid for entirely by the employee.
- e. With respect to all positive tests, nothing shall prohibit the District from taking adverse personnel actions in accordance with its authority independent from that conferred by C.F.R. 49 part 382 et al, which are consistent with the current state of the law and other policies the District may have in effect.

9. MISCELLANEOUS

- a. Drivers will receive their regular pay for time required to take tests specified in this Side Letter. The employer will pay for these tests.
- b. The parties agree to treat all test results as confidential medical records.
