### **Interdistrict Choice**

The Windsor Southeast Supervisory Union board and the associated member town boards of Hartland, Weathersfield, and Mount Ascutney, recognize that there may be circumstances that would require a student to remain in their current school or be transferred to another school in the supervisory union. Therefore, the above-mentioned school boards agree that, should the building principals and the superintendent find cause for a “stay put” or transfer within the Supervisory Union, then the corresponding tuition shall be waived and the appropriate boards shall be notified. In these cases, the decision of the superintendent, in consultation with the principals, shall be final. There is no appeal to the respective school boards. Unless prescribed otherwise in an Individual Education Plan (IEP), transportation shall be the sole responsibility of the parent and/or guardian.
