

LAUREL SCHOOL DISTRICT

10-15 YEAR MASTER FACILITY PLAN

ELEMENTARY DISTRICT

5 YEAR GOALS

Step 1: Buy land for new 3-5 School and Transportation Facility

Step 2: Build new 3-5 Elementary School with Transportation Bus Barn on site.

- Addresses overcrowding issues at both Graff and Middle School
- Remodel Graff School for Administration Staff, PK, and K
- Admin, PK and K move into Graff building

Step 3: Sell Administration Building and South School

- Use money to pay on bonds or put towards West School Remodel

Step 4: Remodel West School for 1-2 or K-2 or PK-2 or 1-2/Admin

- Decisions made at that time dependent on district growth and needs

HIGH SCHOOL DISTRICT

7-15 YEAR GOALS

Step 1: Remodel High School to add classes in existing building

- Adds classroom spaces within building to address overcrowding

Step 2: Move Transportation and Bus Barn to new 3-5 Site

- Build CTE building in Northeast section (warehouse/bus barn area)
- Build Auxiliary Gym in Northeast section (warehouse/bus barn area)
- Address inadequate learning environment and space at High School

NOTE: Each “Step” is designed to allow the Board to adjust the plan dependent upon community growth and district needs.
