

BOARD HIGHLIGHTS

ELMHURST COMMUNITY UNIT SCHOOL DISTRICT 205

April 12, 2022 Board Meeting Highlights

Bryan Middle School Math Team Honored

Congratulations to the 7th and 8th grade students on [Bryan's Math Team](#), who competed in the IMSA Math Contest last week. BOTH teams took first place as a grade-level team, and Bryan took first place as overall school!

Connor Groya Honored for State Swim Championship

[Congratulations to senior Connor Groya](#) - State Champion two times over! Connor brought home the first two swimming state titles in York Boys Swimming history, in the 50-year freestyle and the 100-yard freestyle. Connor will swim at the University of Minnesota next year. Congratulations and go Dukes!

Illinois Music Educators Association Honored

Congratulations to [the students who were selected](#) for the Junior and Senior ILMEA District 1 Festivals. The Illinois Music Educators Association (ILMEA) competitions are considered the most prestigious state-wide student recognition program in music education and every year, thousands of students from schools across the greater Chicagoland area audition for the honor of being selected for the Illinois Music Education Association (ILMEA) All-District Band, Chorus, Orchestra, and Jazz Band.

Principal Pluskota Honored for Those Who Excel Award

[Congratulations to Mr. James Pluskota](#), Principal of Edison Elementary School, who was recently named by the Illinois State Board of Education as a 2022 Those Who Excel award winner for Meritorious Service.

York High School Special Olympics Basketball Team Honored

[Congratulations to the York High School Special Olympics Basketball team](#) for placing fourth at their state competition last month!

Student Fees Reviewed

The [EC-8 student fees for 2022-2023](#), as well as the [York High School student fees](#), for 2022-2023 were reviewed by the Board. The fees will be on the agenda for approval at the April 26, 2022 Board of Education Meeting.

Facilities Update Given

Staff provided an update on construction projects currently in progress or planned at District facilities. Additionally, the [Build205 webpage](#) was presented. This page will be used as a hub for information and updates regarding referendum projects.

2022-2023 Instructional Materials approved and Adopted

Following the process set forth by the Board of Education (BOE) Policy 6:210, Instructional Materials Selection and Adoption, the Board of Education officially adopted the [proposed instructional materials](#) for the 2022-2023 School Year.

Last Day of School is Officially Set

Last night, the Board of Education [approved the final day of school for students](#). Given the school calendar this year, the necessary 176 days of student attendance have been achieved with Friday, May 27, 2022 serving as the the final day of attendance for students (with the final day of attendance for staff on Tuesday, May 31, 2022 per the CBA).

Superintendent's Communication

Dr. Campbell shared an [update](#) regarding the status of the strategic planning process and provided updates on the extension of the survey and addition of community focus groups.

- The Strategic Planning survey has been reopened for two more weeks and will now close on April 24. You can complete the survey [HERE](#) or by visiting our website.
- We are also hosting additional focus groups on Friday, April 22 at Elmhurst Library. Parents and community members are encouraged to register to participate in these focus groups. Registration is available on our [Website](#).
