TASIS is committed to safeguarding and promoting the welfare of students and expects all staff and volunteers to share this commitment. It is our aim that all students fulfil their potential.

## 1. Introduction

- 1.1. TASIS England provides safe, structured, supportive and effective supervision for students during the school day, during school-sponsored travel, extracurricular sports, excursions, educational trips and visits, activities, clubs, and social events, and, in the case of boarding students, throughout their time on campus including evening and throughout the night through provision of boarding house duty teams and boarding support workers and rovers.
- 1.2. Supervision is implemented in order to maintain an orderly, respectful, and positive school environment, as well as to promote the health and safety of students at the School.
- 1.3. The level of supervision varies depending on the age of the student and the policy has been set out according to various age groups within the school.
- 1.4. The policy is intended to cover supervision of pupils while they are in the care of TASIS England, including school travel, field trips, and authorized, school-sponsored off-campus activities. The policy applies to teaching staff (including supply cover) at TASIS England.
- 1.5. In addition to the supervision of students detailed in this policy, TASIS England campus wide security team conduct regular 'sweeps' of the grounds and monitor CCTV, which is in effect 24/7. This offers an additional layer of safety and security for all students, though it is not enumerated in this policy.

## 2. Supervision of Students in the Early Years

- 2.1. **In transit by School-provided busing:** EY students can ride the bus but must have a Risk Assessment if they are under the age of 5. Students who use school-provided busing are considered to be in the care of the School from the time they are picked up or until they are dropped off at the end of the day. Supervision is provided by the bus driver at all times. When students arrive at school, they are held on the bus until 7:55 a.m. when they are given permission to disembark and walk with a sibling the short distance to the Lower School. An EY student is collected by a LS duty teacher and walks them to their classroom. At dismissal time, the EY support teacher/class teacher walks the EY students to the bus and buckles them in and hands over to the bus driver. Each student's embarkation and disembarkation from the bus is recorded by the driver. In addition, the busing co-ordinator has a walkie-talkie which is connected to the Lower School secretary and Head of Lower School. While there are specific rules governing student behavior on the school buses, in general they are subject to the same behavior expectations as they are while in school.
- 2.2. **Before lessons begin:** Students arrive at school from 7:50 a.m. to 8:10 a.m. bust students . Students who come to school with a parent/career are dropped at the LS pick up line and supervised by a duty teacher who walks them to their class at 7:55am. (Bus students please see para 2.1).
- 2.3. **Attendance Register:** Attendance is taken using the LMS (Learning Management System) database at 8:27 and again at 1:27pm each day. This attendance record is reconciled against any parent notifications of student absences and any unexplained absences are verified and investigated by the Lower School Secretary. The LS pastoral co-ordinator tracks attendance patterns.
- 2.4. **During class periods:** A minimum of at least one LS staff member is present in each class to supervise students at all times during class periods. In addition, students are always escorted to and from specialist classes by a member of staff.
- 2.5. **During lunch and recess periods:** A minimum of at least one staff member is present during lunch and recess to supervise students. Students eat lunch in the classroom. During recess, students play in the designated Early Years play area.
- 2.6. **Following the last class period of the day:** At the conclusion of the day students are dismissed from school by the class teacher or aide at the designated pick-up location. Only parent/career may collect students, however, if someone other than the parent/career will be collecting a child we ask that the parent/career introduce the third party to staff prior to the arrangement. If students are taking the bus the class teacher will escort them to

the bus area where the teacher then ensures that the students get onto the correct bus. Buses depart at 3:20 pm.

- 2.7. **School-sponsored Social events, Educational visits, sports, activities:** Attendance is taken for all school-sponsored social events, educational visits, sports practices and fixtures, activities, and clubs. A minimum of at least one staff member is present at all times.
- 2.8. **Waiting for private transportation:** Parents are expected to collect or make arrangements for their child to be collected promptly at the end of the school day or from their sport or other activity. Students who are not collected by a parent by 3:30 p.m. will be escorted to the Lower School Office by a member of staff, where the Lower School secretary will contact the student's parents.
- 2.9. **General expectations:**
  - a. In general, Lower School students are expected to be under adult supervision at all times while they are on campus. If they are on campus for a reason other than to **participate** in a school sponsored activity, such as part of an audience or open event, using the playground, or to watch a sporting event, the student must be under the direct supervision of a parent or guardian, and the School does not provide supervision at those times.
  - b. Once students arrive on campus, they are not permitted to leave campus except with a parent or guardian or authorized caregiver or driver. Students who leave early, whether due to illness or by prior arrangement, must be signed out in the Lower School Office by the authorized adult collecting them.
- 2.10. **Additional Supervision Support:** In addition to staff members who are providing direct supervision for our students, at least one additional administrator is on campus throughout events and activities in order to provide additional support in the event of any emergencies or unexpected circumstances. The Lower School Office is staffed Monday through Friday from 7:55am until 5:20pm. (3:30pm on Fridays) and can be reached by dialing 01932582427. Security can be reached on 01932582339.

### 6. Supervision of Boarding Students

- 6.1. Boarders will be supervised by house staff outside of teaching time. Each house has a duty rota maintained on a google calendar to ensure that there are adequate supervision arrangements in place for boarders at all times.
- 6.2. Boarders will be appropriately supervised outside of teaching time (including during breaks, study hall, during evenings outside of study hall, at night time, before school, at weekends and during the beginning and end of half term and school holidays).
- 6.3. House staff will be sufficient in number and deployment for the age, number and needs of boarders as well as the layout of the School and range and nature of the activities involved.
- 6.4. The School will ensure that there are satisfactory contingency arrangements in place to cover duties in the event of unexpected staff sickness and/or emergency absence.
- 6.5. Supervision may, at times, be close or remote. Boarders temporarily away from the School premises remain under the overall responsibility of a designated member of supervising staff at all times and will remain within telephone/text/email contact at regular, agreed intervals depending on where the boarder is, who they are with and how long they are away from campus.
- 6.6. The School will ensure that boarders are aware at all times of:
  - a. the identity of the designated supervising staff member;
  - b. how to contact their designated supervising staff member and, have the means to do so;

- C. the arrangements of how to contact an alternative member of staff in the event that their designated supervising staff member is not available and/or in an emergency.
- 6.7. The School will ensure that there are a sufficient number of supervising staff present and accessible to boarders in the boarding house at night. Supervision in the house at night will be by means of appropriate availability of staff sleeping in or resident within the boarding house and regular 24 hour patrols by security staff.
- 6.8. Supervising staff will be sensitive to the need for privacy, particularly at times when boarders are dressing or bathing and will avoid unnecessary intrusion on boarders' privacy, while balancing health and safety requirements.
- 6.9. The Boardingware management system is used to monitor boarders movements around the school and when and if they intend to or leave campus. The system is set up for boarders to check in and out of their boarding house to attend 'leaves'. 'Leaves' are the various destinations boarders may check out to, there are on and off campus 'leaves'. Boarders with recorded parental consent may travel further afield than those with no parental consent, the consent log is updated annually.
- 6.10. **Typical Weekday Schedule:**

**Morning Wake Up & Breakfast - before 7:30am - 8.10am (8:30am – 9:00am Wednesdays)**

The school day is from 8:15am to 3:15pm for all divisions. The school day schedule differs depending on whether teachers are in Upper, Middle or Lower school. All boarders follow an Upper School school-day schedule and report back to the Boarding House at 3:15.

**Daily Room Inspection - during the school day**

TASIS students are expected to keep their rooms neat and tidy. House Parents and Deputy House Parents conduct daily room inspections to ensure this is the case.

**House Parents/Deputy House Parents assume responsibility – 3:15 pm**

House Tutor/HP takes a roll call and ensures that students are ready for Study Hall.

**Study Hall - 7:00 pm - 9:00 pm (7:30 pm – 9:00 pm Wednesdays)**

All House Parents and House Tutors complete one night of duty every week. This will be assigned at the start of the year and a schedule will be shared. Boarders' study materials should be assembled and students should go to their rooms or their designated study hall on time.

Boarding students in grades 9 through 12 who have shown their ability to study independently are granted the privilege of independent (in their room) evening study; others may attend a more supervised study hall. During study hours (7:00pm – 9:00 pm, Sunday through Thursday) these students may work in their own rooms. Quiet is to be maintained. There is to be no movement from place to place during the evening study hours. If abused, this privilege may be withdrawn at any time. It should be noted that boarding students may not receive telephone calls or use their mobile phone for any other purpose during evening study periods.

**Free Time – 9:00 pm – 10:00 pm**

**Evening Check In - 10:00 pm**

Boarders must be checked in at 10 pm in the bedroom. **Under no circumstances should students leave the House after check-in without consulting a member of the Boarding Team (i.e. in case of needing medical attention).**

**Lights Out & Late Study - 10:30 pm**

We encourage boarders to manage their time and school work in a way which allows them to get plenty of rest in order to maintain their health, arrive to class on time in the morning and be alert during the School day. If boarders need to study after their roommate is in bed, they must use a desk lamp so as not to disturb their roommate. Overhead lights must be turned off if the roommate is going to sleep.

Students out of their bedrooms after check-in times are liable to severe disciplinary action, including the possibility of suspension or dismissal from school. Students should not be out of their bedrooms before 6:00a.m. Bedroom hours apply to all school trips unless exceptions are made by the chaperone for particular events.

**8th, 9th & 10<sup>th</sup> Grades - 10:30 pm**

Main lights are turned off by 10:30 unless a student asks for 'late lights'. This allows them the option of studying for an extra 30 minutes with their desk lamp only.

**11th & 12<sup>th</sup> Grades - Optional from 10:30 pm - 12:00 am**

Main lights are turned off by 12:00 in negotiation with House Parents. This allows seniors the option of studying for an extra period of time with their desk lamp only, particularly during high pressure times such as exam weeks.
