**LEA plans to ensure continuity of services including, but not limited to, services to address students' academic needs, and students' and staff social, emotional, mental health and other needs, which may include student health and food services.**

- Developed Extended Learning Plan that outlines supports and services for Summer 2021, the 2021-2022 school year and beyond
  - Collect and review student data to determine those most in need
  - Develop professional learning plan for teachers and staff with implementation of ODE's SEL standards
  - Review and/or revise district PBIS (Positive Behavior Interventions & Supports) systems
- Create access to Employee Assistance Programs
- Provide access to external community resources/counselors.
- Commit to K12 Prevention Programming (PAX and Botvin LifeSkills) rollout.
- Utilize internal support in place in the school district.
- Expanded food access and distribution including but not limited to free breakfast and lunch during the school year and over the summer of 2020.
- Other:

Free lunches and breakfast were available the two weeks we were not in session.

Plan will be reviewed every six months through September 30, 2023 and revised as necessary. Public input will be sought to determine necessary revisions.
