The following shall be written on the exterior of the envelope: **“Bids for Wireless Network Solution for 22 School Sites” to be opened on January 31, 2017 at 9:00 AM.” Bids not delivered by vendor at time of bid opening, must be received by mail or courier no later than 4:00 PM on January 30th, the day before the bid opening.**

A MANDATORY pre-bid conference will be held on Monday, January 23, 2017 at 2:00 PM at the Pocatello / Chubbuck School District offices located at 3115 Pole Line Road, Pocatello, Idaho.

CONDITIONS OF CONTRACT:

Notices, conditions, and specifications issued incident to this bid, together with the purchase policies of the Pocatello/Chubbuck School District 25, (“District”) are on file for examination in the Business Office and shall form a part of the contract conditions.

DISTRICT REPRESENTATIVE:

Oral communications with District staff, except the official contact concerning the bid shall not be binding on the District and shall in no way excuse the bidder of his obligations as set forth in the bid specifications. No information, concerning who may be the successful bidder, will be available from District staff prior to the next available board meeting after bids are evaluated. An electronic version of this document is available on the District’s website or upon request. Building maps and visits to specific sites may also be requested.

Refer all questions to the District’s Representative, Joel Burkman, Technology Coordinator, via e-mail only at: burkmajo@sd25.us. Contact with other District staff, Board of Trustees, or Administration will be by written permission only.

EXAMINATION OF THE SITE AND DOCUMENTS:

A MANDATORY pre-bid conference will be held on Monday, January 23, 2017 at 2:00 PM at the Pocatello / Chubbuck School District offices located at 3115 Pole Line Road, Pocatello, Idaho.

Before submitting a proposal the bidder shall:

- A. Carefully examine the specifications.
- B. Visit the worksite.
- C. Be fully informed of existing conditions and limitations.
- D. Include in the bid, sums sufficient to cover all items required by the contract, and shall rely entirely upon his own examinations in making his proposal.

CONDITIONAL BIDS OR BIDS WITH STIPULATIONS WILL NOT BE ACCEPTED.

Quotations are to be made F.O.B. Pocatello. All proposals must include the cost of the transportation to the warehouse of the Pocatello/Chubbuck School District 25, 3115 Poleline Road, Pocatello, Idaho.

INTERPRETATIONS:

Should a bidder find discrepancies in or omissions from the specifications, or be in doubt as to their meaning, he should at once notify the Owner, who will send written instructions or addenda to all bidders if

clarification is needed. The owner will not be responsible for oral interpretations. Questions received less than 48 hours before time for bid opening cannot be answered. All addenda issued during the time of bidding will be incorporated in the contract.

CONTRACTOR'S LICENSE:

In compliance with Idaho Laws, the contractor must be registered with the State of Idaho, and hold the required Public Works Contractor's License before obtaining the contract documents and before submitting a bid for this work.

INSURANCE:

All contractors who provide goods or services to the District are required to provide the District with certificates of insurance for General Liability, Auto Liability, Workers Compensation, and Professional Liability if applicable.

The General Liability and/or Professional Liability certificate must name the District as an additional insured under the contractor's policy.

Certificates are to be provided to the District prior to any work commencing on District property. This would include the placement of any equipment or materials at the work site.

Minimum Insurance Limits

General Liability	\$1,000,000 per occurrence \$1,000,000 products and completed operations \$1,000,000 annual aggregate
Auto Liability	\$1,000,000 per occurrence
Worker' Compensation	Statutory

OBJECTIONS:

Written objections to specifications or bid procedures must be received by the clerk, secretary, or other authorized official of the District at least one (1) business day before the date and time upon which bids are scheduled to be received, per Idaho Code Section 68-2806(c).

PERFORMANCE BOND:

The successful bidder will be required to furnish a 100% performance bond when entering into the contract work, per Idaho Code Section 54-1926, "...conditioned upon the faithful performance of the contract in accordance with the plans, specifications and conditions thereof."

PAYMENT BOND:

The successful bidder will be required to furnish a 100% payment bond when entering into the contract work, per Idaho Code Section 54-1926, "solely for the protection of persons supplying labor or materials, or renting, leasing, or otherwise supplying equipment to the contractor or his subcontractors in the prosecution of the work provided for in such contract."

5% RETAINAGE:

The Owner will retain 5% of the Contractor's earned sum to ensure faithful performance. This 5% will be released to the Contractor upon receipt of approval from State of Idaho. The five percent retainage may be used by Owner to offset any and all losses incurred by Owner in the course of the performance of the Contract by Contractor, including but not limited to tax liens, defective performance, defective products – including those of subcontractors or other damage caused by Contractor in the performance of this Contract. Owner shall provide Contractor with a written itemization of all sums retained by Owner at the time of its issuance of final payment. Under no circumstances shall Owner retain more than five percent of the contract price without written agreement of Contractor.

BID GUARANTEE:

As a guarantee that, if awarded the contract, the bidder will execute same and furnish bond. Each bid will be accompanied by a Certified check, Cashier's Check, or Bid Bond for not less than five percent (5%) of the base bid payable to the Owner. NO PERSONAL OR COMPANY CHECKS WILL BE ACCEPTED.

OWNER/CONTRACTOR AGREEMENT:

The Agreement for the work will be written on a District provided Form of Agreement between Owner and Contractor where the basis of payment is a stipulated sum.

CHANGES IN THE WORK:

The owner, without invalidating the contract, may order extra work or make changes by altering, adding to or deducting from the work, the contract sum being adjusted accordingly. All such work shall be executed under the conditions of the original contract, except that any claim for extension of the time caused thereby shall be adjusted at the time of ordering such change.

The total allowance for combined overhead and profit for changes shall be included in the total cost to the owner and shall be based on the following schedule: A. For the Contractor, 10% over cost.; B. For the Sub-Contractor, 15% over cost to be divided 10% for Sub-Contractor and 5% for Contractor; and C. For any Sub-Subcontractor, 15% over cost to be divided 5% for Contractor, 5% for Sub-Contractor, and 5% for Sub-Subcontractor.

EMPLOYMENT OF RESIDENTS OF IDAHO:

In compliance with Idaho Laws, Section 44-1001 and 44-1002 Idaho Code, the contractor must employ ninety-five percent 95% bona fide Idaho residents as employees on any such contracts except where under such contracts fifty (50) or less persons are employed the contractor may employ ten percent (10%) nonresidents, provided however, in all cases such employers must give preference to the employment of bona fide Idaho residents in the performance of such work.

EQUIPMENT:

The contractor shall provide all labor, materials, tools, and equipment, etc. necessary for the complete and substantial execution of everything described in the specifications.

STORAGE OF MATERIALS:

The contractor shall make arrangement and coordinate with the Maintenance Dept. for storage of materials. Any damages of life or property caused by storage of materials on the above indicated place shall be paid for by the contractor, who shall hold the owner harmless for any damages concerning the same.

SUPERVISION:

The supervision of oversight and acceptance for work performed by contractor will be done by the Technology Coordinator. The installed system will be managed by the Technology Coordinator.

INSPECTION OF WORK:

The representative of the owner shall at all times have access to the work wherever it is in preparation or progress and the contractor shall provide facilities for such access and for inspection.

FORM WH5:

Per Idaho Code Section 54-1904A, within thirty (30) days of award of bid, the contractor shall file with the State Tax Commission a form WH-5, Public Works Contract Report.

WARRANTY:

- Manufacturer shall warrant products under normal use and service to be free from defects in materials and workmanship for a period of five (5) years from date of delivery.
- Warranty shall cover repair or replacement of such parts determined defective upon inspection.
- Warranty does not cover any product or part of a product subject to accident, negligence, alteration, abuse or misuse. Warranty does not cover any accessories or parts not supplied by the manufacturer.
- Warranty shall not cover any labor expended or materials used to repair any equipment without manufacturer's prior written authorization.

CLEAN UP:

The contractor shall at all times keep the premises free from accumulations of waste material or rubbish caused by his employees or work, and at the completion of the work he shall remove all his rubbish from and about the building and all tools and surplus materials and shall leave his work clean. Contractor shall back fill with dirt, sod or asphalt, where applicable. All workmanship must be completed to industrial standards. In case of dispute, the owner shall remove the rubbish and surplus materials and charge the cost to the contractor.

DELIVERY AND START OF WORK:

The time frame for this project to be completed, is July 1, 2017.

LIQUIDATED DAMAGES:

Contractor shall be required to pay Owner as liquidated damages the sum of \$200 for each day, after the scheduled completion date, that the project is unfinished.

PAYMENT:

Application for payments dated on or prior to the 25th of the month, shall be made by the 15th of the following month. Application for payments dated after the 25th of the month, payment shall be made within 30 days.

RESPONSIBILITY OF VENDOR:

No bid will be accepted unless accompanied by a **CERTIFIED CHECK, OR BIDDER'S BOND**, (executed by a certified surety company with the power to do business in the State of Idaho) for not less than five percent (5%) of the total amount of the bid as a guarantee, which is to be forfeited in case the successful bidder fails, neglects, or refuses to either enter into a contract or execute bonds for the faithful performance of the contract.

PERSONAL OR COMPANY CHECKS WILL NOT BE ACCEPTED.

All vendors submitted bid proposals should meet the following qualifications:

- Vendors must submit attached Vendor Information Qualification form, Bid Certification form, and Bid Response form.
- The vendor must have a current FCC Registration Number (FRN).
- The vendor must have a current USAC Service Provider Identification Number (SPIN).
- The vendor must be in "good standing" with the FCC and the State of Idaho. Any bidder found to be in FCC "Red-Light Status" will be automatically disqualified.
- All vendors submitting a bid are responsible for understanding USAC and FCC E-Rate eligibility and billing rules and are required to identify any costs, fees, products, or proposed uses that do not meet the rules of eligibility for E-Rate funding and should be filed as ineligible fees/charges.
- The vendor must be a manufacture authorized vendor of the materials proposed.
- Vendor must have at least five years of experience with wireless access point networking devices.
- To ensure expert support, it is desirable the vendor have on staff, local experienced solutions engineers for proposed products.
- To ensure prompt response time, it is desirable the vendor have an office located within the state of Idaho.
- Vendor must submit at least three references from K-12 schools.

REJECTION OF BIDS:

The Board of Trustees of the Pocatello/Chubbuck School District 25 shall have the right to reject or not accept any and/or all bids when: (1) it is in the best interest of the District; (2) the bid does not meet the minimum bid specifications; or (3) the bid is not the lowest responsible bidder; or (4) the item offered deviates to a major degree from the bid specifications, as determined by the Administrator (minor deviations, as determined by the Administrator, may be accepted as substantially meeting the bid requirements of the District). Deviations will be considered major when such deviations appear to frustrate the competitive bidding process.

The Board of Trustees may reject all bids with or without cause. The Board of Trustees may waive any immaterial deviation in a bid.

EVIDENCE OF QUALIFICATIONS:

Upon request of the owner, a bidder whose bid is under consideration for award of the contract shall submit, promptly, satisfactory evidence of his financial resources, his experiences, and the organization and equipment he has available for performance of the contract.

HOLD HARMLESS AGREEMENTS:

The District expects your work to conform to professional standards. The contractor is expected to hold the District harmless for all damages or claims arising out of the work performed by the contractor. The District will not agree to hold the contractor harmless for damages or claims.

LAWS AND ORDINANCES:

The contractor hereby binds himself to protect and save harmless the owner from all damages arising from the violation of any and all Federal, State, County, City, and all other laws, rules, regulations, in the performance of the terms of the contract.

IDAHO EMPLOYER ALCOHOL AND DRUG-FREE WORKPLACE ACT:

Include with your bid sheet a contractor's affidavit pursuant to Idaho Code, Section 72-1717.

BIDDER CERTIFICATION FORM:

All bidders must complete and submit the Bidder Certification Form included with this bid request.

VENDOR INFORMATION QUALIFICATIONS FORM:

All bidders must complete and submit the Vendor Information Qualifications Form included with this bid request.

QUANTITIES:

ALL QUANTITIES for items comprising this bid are approximate (based on our best present estimates), and subsequent orders may vary in lesser amounts than shown - depending on prices of bid and availability of funding. If there is a quantity limit to which your bid pricing is associated, please indicate that and supply additional pricing for quantity price points.

SAMPLE CONTRACT:

Bidders must include a sample contract with their bid. The District must have a signed contract in place by March 31, 2017 in order to comply with E-Rate regulations.

BID CONDITIONS:

The following universal specifications are being used as a guideline. Alternate bids for equal equipment will be considered. Substitutions or major alternations must be indicated upon the proposal sheet at the time of the bid submission.

Bids must be based upon conditions at the site and these specifications. Bids shall be submitted in accordance with the requirements shown on the bid form.

Bids are to be based on a delivered price.

Bids are to be held firm for One (1) year after the due date of submissions and upon mutual agreement of both parties. The contract may be extended beyond the initial period for an additional one (1) year extension. The Board of Trustees reserves the right to accept or reject any and/or all bids, portions thereof, and waive any formality which is deemed to be in the best interest of the Pocatello School District No. 25.

Bids will be tabulated and recommendations for award of a contract will be made by the Director of Business Operations.

Bids submitted after the due date will not be accepted.

QUALITY OF MATERIALS:

IT IS SPECIFICALLY UNDERSTOOD THAT PRODUCTS OFFERED SHALL BE EQUAL TO THOSE SPECIFIED. Substitutions or major alterations must be indicated upon the bid response sheet at the time of bid submission that it is an alternate item.

IF ALTERNATE OR SUBSTITUTION IS BID, SPECIFICATIONS OF THE ALTERNATE OR SUBSTITUTION MUST BE INCLUDED.

SPECIFICATIONS:

A. It is anticipated that some or all of the costs associated with this proposal shall be eligible for the E-Rate discount under the Federal Communications Commission (FCC) Universal Service Provision (FCC 97-157); therefore, the winning Bidder must understand and comply with all FCC rules and regulations relative to E-Rate. The winning Bidder must be E-Rate eligible and have filed an FCC form 499A to provide the services requested as well as have a valid Service Provider Identification Number (SPIN) as part of this bid.

B. All proposals which are highly equivalent to or exceed specifications of the listed items will be considered. Proposed equipment should be compatible with the District's existing network equipment and design. The Pocatello/Chubbuck School District 25 will be the sole judge in determining compatibility of equivalent or compatible products that are offered in lieu of specified equipment requested.

C. The products bid must be eligible for E-Rate under the Internal Connections provision compliant with the Schools and Libraries Division Eligible Services List for the current funding year. The costs for services not eligible for E-Rate must be clearly itemized separately from eligible services.

D. Contract purchase is contingent upon receipt of an approved Category 2 Funding commitment decision by Universal Service Administrative Company (USAC) for reimbursement in the 2017-18 and each successive funding year of the contract.

E. The District is seeking a fully designed, installed wireless solution. Wireless access services are needed to deliver broadband wireless connectivity within the District’s 14 elementary and 8 secondary school sites. Each building has a commons area, library and gymnasium that must be included, along with all classrooms, halls and offices. All equipment bid shall be new. No reconditioned equipment shall be proposed. All equipment should be current and not presently announced as “End-of-Life”. Bids should include installation of wireless equipment and the design and management of the wireless network in the all contracted building.

F. Bidders must provide itemized bid pricing on the attached bid forms that provide pricing for wireless access point equipment, design, configuration and installation of a wireless access system and wireless network management. Bids must also provide a detailed project, materials, any sub-contractors to be used if different than the bidding company, specification sheets for materials being used if not noted within this document. The District reserves the right to accept a bid based on all components collectively, separately or not at all.

G. Bid proposals must include and supply a Project Manager with PMP certification to oversee the project and work in concert with the District designated staff.

H. All wireless access equipment, wiring and installation equipment will be owned by the District after installation.

I. The wireless solution must support an on premise controller solution and work with or without manufacture support on the controller or access point.

J. Bidders must provide Wireless access point pricing based on overall quantity pricing for additional standalone non-managed and non-installed purchases.

K. Wireless Access point equipment Table 2 Wireless Access Points:

Item:	Equal or Better Than*

*Access Point cost must include licensing cost with 24/7/5 years of support. Vendors may propose different equipment but all equipment should meet the specifications specified below and have equal or better feature sets than the models listed above.

Bid equipment should include the following features:

Enterprise-grade, two radio (3x3:3) stream MU-MIMO 802.11ac Wave 1 Access Point, engineered for high density environments. Aerohive AP230 or equivalent

- Wave 1 802.11ac access point with MU-MIMO capability
- Automatic or dedicated mesh backup
- Full (3x3) three stream 802.11ac MU-MIMO and dual 5 GHz performance with IEEE 802.11b/g/n radios/n MIMO
- Internal Antenna
- Support concurrent dual-band 5GHz and 2.4GHz
- Multiple radios provide concurrent 802.11a/n/ac and 802.11b/g/n performance
- Dual Ethernet ports with link aggregation with dual GigE
- Plenum Rated APs for indoor, office environments
- USB interface for future services
- Low profile design blends well into an office environment
- Low-distraction indicators appear as gently glowing rather than bright blinking lights.

- Marking and policing–WMM (802.11e) for wireless
- 802.1p and/or DiffServ
- Wi-Fi CERTIFIED WMM
- WMM power save (U-APSD)

- L. Design, installation of the Wi-Fi networking solution.
- M. Proposal must allow for network management visibility and control ability by the District (ability to make changes and adjustments) in concert with the bidder. If additional costs are associated with this feature it must be designated.
- N. Please include two (2) post installation documents showing vendor met all the requirements.
- O. Automatic software updates to all managed components of the service throughout the services contract.
- P. Network design and installation to provide PoE connectivity to the locally installed Wi-Fi access points.
- Q. Network design and equipment must provide a minimum of 1 Wireless Access Point per classroom or have the capacity to support 60 concurrent connections and provide high density coverage for common areas, hall ways, gymnasiums and offices. High density coverage in gymnasiums, auditoriums, libraries and common areas must be able to support up to 300 concurrent connections.
- R. Wireless solution must provide a minimum received signal strength of -65 dBm in both 5GHz and 2.4GHz frequency bands on the district's HP Chromebooks (T4M32UT#ABA) in all occupied rooms, including offices, gyms, libraries, cafeterias and other common areas. In areas such as hallways, a minimum received signal strength of -70 dBm in both 5GHz and 2.4GHz frequency bands is acceptable.
- S. Integrate the wireless solution service with the local area network for access to local resources such as printers, servers, etc.
- T. Must provide all cabling to each managed access point. Cabling must provide 2 cables per access points. Minimum of Cat6 cabling required. All access points must be mounted to ceilings. Exceptions which will be wall mounts in areas such as Gymnasiums and Commons must be approved by the District.
- U. All necessary SSID, Wi-Fi security and network policy design, implementation and ongoing management to meet the changing and evolving security requirements of the school district.
- V. Wireless solution must support secure enterprise level authentication (RADIUS and LDAP).
- W. Access Points must support at least four SSIDs on dedicated VLANs.
- X. Access Points must be individually manageable (power levels, SSIDs and radio settings).
- W. Integrates with local DHCP, including whatever layer 2 or 3 integration is required to provide routing between WLAN and LAN subnets.

Network Cabling, Infrastructure and Installation:

A. Bidder will install all necessary cabling from main distribution facilities (MDF) and intermediate distribution facilities (IDF) for all access points.

B. Bidder will install 2 cable connection per Access Point.

C. All wiring and installations will attach to the existing District switch equipment and must conform to District Wan and Lan design and equipment.

D. Bidder must provide all cabling and fiber optic cabling between wiring closets as necessary.

E. All cabling used will be Category 6 UTP Plenum or non-plenum Ethernet cable according to code requirements specific to each site.

F. Cabling must be neat and orderly, in cable management equipment and conform to the District cabling design.

G. Cabling and equipment running to the access points and closets must support gigabit or higher capacity.

H. The bid must include the name of the company being proposed to do the cabling if different from the company bidding for the managed Wi-Fi services.

I. Installation of equipment and wiring must be scheduled as to not interrupt or interfere with the education process at the school site.

J. Solution is to be fully managed by District IT personnel after the initial installation and configuration. Vendor will be responsible for training District IT personnel on the system management.

EVALUATIONS:

Bids will be evaluated based on (1) cost, (2) Proposed solution Configuration and specifications, (3) Vendor Qualifications, (4) Prior successful experience providing services requested (5) Prior experience with the District. Evaluation criteria are listed in priority and weight order.

BIDDER CERTIFICATION FORM

1. **Debarment and Suspension** – In submitting this bid proposal, we hereby certify that we have not been suspended or in any way excluded from Federal procurement actions by any Federal Agency. We fully understand that if information contrary to this certification subsequently becomes available, such evidence may be grounds for non-award or nullification of a bid contract.
2. **Anti-Collusion** – In submitting this bid proposal, we hereby certify this proposal was developed and prepared without any collusion with any competing bidder or District employee. The content of this proposal has not been disclosed to any competing or potentially competing bidder prior to the proposal due date and time. Furthermore, no action to persuade any person, partnership or corporation to submit or withhold a bid has been made.
3. **Anti-Lobbying** – In submitting this bid proposal, we hereby certify that to the best of our knowledge and belief, no appropriated Federal funds have been paid or will be paid by or on behalf of person associated with this proposal to any person for influencing or attempting to influence and officer or employee of any agency, a member of Congress, an office or employee of Congress or an employee of a member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.
4. **National Sexual Offender Registry** – In submitting this bid proposal, you certify to the District that your company will prohibit any persons in your employ who are registered or required to register under the Idaho Sex Offender Registration Act from participation in company business with the District if such participation would require them to be present on school property. You certify further that you have cross checked such employees against the National Sex Offender Registry found at the following web link: <http://www.nsopr.gov/>
