

# 5th Grade

May/June Newsletter

2022

## What is your child learning?

### STEM

> **Math:** Students are reviewing Units 4 through Unit 8 in preparation for the EOY Benchmark Test. They will conclude the school year with Unit 7- multiplying and dividing decimals and Unit 8- algebraic thinking and coordinate planes. We will be sending home the benchmark review calendar homework on May 1st.

> **Science:** Students are exploring Earth's gravitational pull and its effect on various objects. They will then research constellations and moon phases.

### Humanities

> **Reading:** Students will continue to read the novel *Chains* and make connections to Isabel's life.

> **Social Studies:** Students will begin the government unit and discuss the three branches of our nation's government.

> **Writing:** Students will write speeches reflecting on their time at LSE.
