

Melrose Elementary

Roseburg Public Schools 2022 Bond Measure Proposal

PROPOSED PROJECTS, IF THE MEASURE PASSES

Address Health, Safety & Security

- Drop-off and pick-up safety projects
- New backup generator
- Secure school entrances and access points
- Elementary school playground renovation and replacements

Example of a new secure entry

Example image of new playground equipment

Repair & Update Aging School Buildings

- HVAC additions and repairs for air ventilation/filtering, temperature control
- Replace plumbing, roofing, and electrical systems

Expand Student Opportunities

- Site-specific learning space updates
- New detached multipurpose gym facility that would also serve as community event spaces and emergency shelters

Concept rendering of a multipurpose facility
