

# SENIORS

**Digital Senior Slideshow Pictures must be submitted to Mrs. Morelli by November 23, 2021. If you do not submit your digital images by this date, you may not be included in the senior slideshow.**

Pictures for the slideshow will be accepted by digital submission only. This means you will need to either scan your images or take a clear picture of each image to attach in an email to Mrs. Morelli. The images **MUST** be a .jpeg (you can convert them for free online if needed) or they can not be used in the program.

Please email these images to Mrs. Morelli with the **SUBJECT LINE Senior Slideshow** and your **LAST NAME**.

Attach each image: **baby, toddler, elementary school, middle school, and we will then use your senior picture for high school.** You may also send group pictures with your JM classmates in a separate email to be considered for the slideshow.

### **Senior Pictures:**

See the school website for SENIOR picture specifications. Images can be emailed from you or from your photographer as a .jpeg

Senior pictures must be submitted digitally by **January 29, 2022** or please make other arrangements with me before this deadline.

NOTE: If you did not plan to get a professional full set of senior images done, Robert Senn is offering their services to take a professional SENIOR portrait by appointment only. Please see the link below to schedule your appointment:
