

Early Morning Drop Off

I _____ will be utilizing the Jackson-Milton local school district early morning drop-off during the 2020-2021 school year. There will be a 25 student maximum this year because of the social distancing guidelines. I have been made aware that the service begins at 7:00 a.m. and my child will be supervised by a certified teacher. Children must be walked to Door D, which is behind the school - park in the parking lot, enter through the gate and walk down the sidewalk. All students will have their temperature taken before being permitted to enter and a certified teacher will be on hand to supervise the early morning care. In the event of a two hour delay or snow day, I am aware that this service will not be available. I can be contacted at _____ in case of an emergency.

Student Name(s) - _____

Parent/Guardian - Name _____

Emergency Contact if unable to reach guardian -
Name - _____

Phone numbers - _____

Known allergies - _____

Days I will be utilizing service: (please circle all that apply)

Monday Tuesday Wednesday Thursday Friday
