

CALIBER PUBLIC SCHOOLS
CONFLICT OF INTEREST CODE

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations §18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of **Caliber Public Schools**.

Individuals holding designated positions shall file their statements of economic interests with **Caliber Public Schools**, which will make the statements available for public inspection and reproduction. (Gov. Code Section 81008.) All statements will be retained by **Caliber Public Schools**.

Such written determination shall include a description of the consultant's or new position's duties and, based upon that description, a statement of the extent of disclosure requirements. The Chief Executive Officer or designee's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code. (Government Code § 81008.)
