Position Announcement for Middle School Science Teacher Grade 6 Life Science – Fort Lauderdale campus

**Pine Crest School
1501 NE 62nd Street
Fort Lauderdale, Florida 33334
(954) 492-4100
www.pinecrest.edu**

The School

Pine Crest School is an independent, co-educational college-preparatory day school serving more than 2,600 students on two campuses in Fort Lauderdale and Boca Raton, Florida. There is a Middle School on each campus serving students in grades 6-8, with approximately 300 students in each Middle School. To learn more about our school, please visit our website at www.pinecrest.edu

The Position

The Middle School Science Teacher would be responsible for teaching life science to students in grade 6. Other courses may be assigned as necessary.

Qualities

We are looking for an educator who has demonstrated a love for teaching and is familiar with the rewards and challenges of working with middle school students. The successful candidate will be able to:

- Demonstrate a thorough knowledge of the content area and be able to share the material in a thorough manner
- Build warm, trusting relationships with students, colleagues and parents by listening well and responding to concerns in a timely and appropriate manner
- Respond well to a busy – often hectic – school day; adjust priorities as needed
- Maintain an upbeat, positive outlook, as well as a sense of humor

The following qualities are preferred but not required:

- 3+ years experience teaching science to students in grades 6-12
- M.A. in Science, Education or in a related field

Application Process

If interested in applying for this position, please put "Middle School Science" in the Subject line and submit the following material by email to employment@pinecrest.edu:

- Cover letter indicating your interest and highlighting aspects of your background that qualify you for the position
- 2-page resume
