

SCHOOL CALENDAR

- 1.0 Annually, the Board will adopt a School Calendar which identifies student days, staff days, scheduled late start days, early release days, and school vacations.
- 2.0 It will be the responsibility of the administration to propose a school calendar to the Board's policy committee prior to March 1 each year pursuant to Title 20-A, Chapter 209, Section 4801. The policy committee will consider feedback from staff, students, and community members, as well as review the appropriate regional school calendars to ensure compliance with statute.
- 3.0 The policy committee will present the proposed calendar to the Board prior to the first Board meeting in April.
