

GenTX Decision Day

Celebrate the Class of 2022

BISD proudly supports our Senior Class of 2022 by celebrating National College Decision Day. Seniors will take the next step in making their collegiate dreams a reality by confirming their college/university choice for the fall of 2022.

Seniors have prepared for this day by taking all necessary college entrance exams, applying to colleges and universities, completing scholarship and FAFSA applications or signing military enlistment contracts.

Seniors must accept their enrollment/acceptance and financial aid awards by the deadline indicated from their respective colleges/universities.

Seniors should follow their respective ECHS campus social media for college day activities leading up to Decision Day and throughout the month of May.
