

ADMISSION OF NON-RESIDENT STUDENTS

- 1.0 Individual non-resident students may be accepted under any of the following conditions if approved by the Superintendent:
  - 1.1 Under an agreement with another local school administrative unit for students in grades 9-12 upon payment of the tuition fee allowed by state law;
  - 1.2 Following receipt of a written parental request and formal approval by the Superintendent on a space/program-available basis, and upon payment of the tuition fee allowed by state law, reapplication shall be made annually; behavior, cooperation of the student as well as suitability of programming shall be considered for admission;
  - 1.3 Upon recommendation of the high school principal, the Superintendent may authorize enrollment of a foreign exchange student assigned to a household in the community served by the school unit and under the auspices of a recognized foreign exchange program. Such enrollment shall be without assessment of tuition;
  - 1.4 Upon special permission granted by the Superintendent, to provide continuity of program for a student whose family provides evidence of intent to move to the community shortly after a school year begins, or moves from the community near the end of a school year; and
  - 1.5 In accordance with Maine law related to the assignment of students for school purposes, such as: state wards; students for whom the Superintendent determines it is in the student's best interest to attend; students placed by state agencies; homeless children of school age; students living at light, fog warning or life stations; temporary residents; a transfer student when the two Superintendents approve in the student's best interest.
- 2.0 Retroactive tuition will be assessed for students found to be nonresidents and ineligible for enrollment under law or Board policy.
- 3.0 All requirements regarding age, health examinations, immunizations, etc., which apply to resident students shall also apply to non-resident students accepted for enrollment in this school system.
