# Allentown YMCA-Summer Day Camps

**Camp Keystone** is held at the **Allentown YMCA Branch** where we spend our campers will experience fun activities such as team building, arts and crafts, sports and fitness, and swimming! Camp is available to children who have completed Kindergarten through 6th Grade. Pack a non-perishable and nut free lunch and snack, water bottle, swimsuit, towel and sun block every day.

## June 13-17 Session #1: One Week In Paradise!

Get ready to jump into an exciting adventure in paradise! This week we will be spending time bathing in the sun with all our new friends and making waves in the pool. Aloha campers!

## June 20-24 Session #2: YMCA Olympics

Sports, sportsmanship, teambuilding, and fun are our goals for the week. The kiddos will work together to create their own countries, flags, etc. and have some friendly competition.

## June 27-July 1 Session #3: Storyland

Once upon a time we had a wonder summer. There are so many books to read and so little time. We will spend the week exploring different genres such as mystery, fables, sci-fi, etc. We will publish our own stories.

## July 5-8 Session #4: Time Warp USA

What was it like to live in the old days in the U.S.A.? We will build a time machine and find out. We will travel to various historical moments in the past in our country's history throughout the week. No Camp on July 4.

## July 11-15 Session #5: Time Travel-Ancient Civilizations

We have more time traveling to do! This time to the ancient wonders of the world. Let's explore the 7 wonders of the world together in their glory and then build our own 8<sup>th</sup> wonder of the world!

## July 18-22 Session #6: Mission Impossible

One camper has one chance to do the impossible. In order to complete your mission, you must learn survival skills, how to decipher hidden codes, and create inventions all in a week that you'll never forget!

## July 25-29 Session #7: Real Life Super Heroes

With great power comes great responsibility, so suit up campers and help us save this community! This week we will be celebrating the accomplishments of real life superheroes and giving back to the community just like them.

## August 1-5 Session #8: Lost at Sea

Hop aboard and sail the deep blue sea! Step in the shoes (and tails) of pirates and mermaids on a quest across rough waters. You will make your own boat for your journey and earn gems and tokens to trade in for treasure!

## August 8-12 Session #9: Down on the Farm

We will have an old fashion hoe down with food and square dancing. We will explore all the different animals that help make a farm run. What kind of tool could we make to make the farmer's job easier?

## August 15-19 Session #10: Music Mayhem

The kids had so much fun last year with our music week we thought we would explore even more genres this year. We will sing the blues right out of them and dance their worries away with swing music.

## August 22-26 Session #11: Wacky Weather

Do you know how a tornado is created? What about why thunder comes with lightning? Did you know that most cultures have a great flood story? Have you ever heard of freezing fog? These are all things we will explore as we get our brains going again and ready for school as we say good bye to summer.

**Questions?** Contact Cassidy Bell, Asst. Director of Child Care-School Age and Summer Camp, at [cassidybell@gv-ymca.org](mailto:cassidybell@gv-ymca.org) or 610-351-9622 x811.
