The T.E.A.C.H. Early Childhood® Project is now offering a scholarship specifically to help individuals who are eligible for full-time enrollment or currently enrolled full-time in an Early Childhood Associate Degree Program at any North Carolina Community College.

The T.E.A.C.H. Early Childhood® AAS Scholars Program will provide a stipend of \$1000 per semester for up to 5 semesters to help offset educational costs.

Upon graduation, the Scholars recipient must agree to work at least 6 months for each stipend received in a licensed child care classroom serving preschool children (birth to five) who receive state subsidies or in an NCPK classroom.

Benefits of AAS Scholars Program:

- Faster degree completion for students
- Real financial help with college
- Better educated teachers for N.C. children
