

Statement of Understanding  
Policies and Procedures  
Bath County School District

I have received instructions and directions on the location of all policies and procedures online content at: <http://policy.ksba.org/B05/>. I have received and understand the Bath County School District's Employee Policy Handbook in its entirety and acknowledge its contents. I understand if I have any questions about the policies and procedures, I should ask my supervisor or administrator for clarification. I further understand that this manual is not an employment contract and that the policies stated are guidelines for employees. I also acknowledge that the handbook will need periodic revision and that my employer retains the right to amend the handbook. I agree to follow the guidelines set forth in the manual as a condition of my continued employment and understand that my failure to do so may result in disciplinary action including termination of my employment.
