C) Principal Updates

- Check open action items:

- **Lunch/Shade:** No feedback from district when shade structure will be installed so overcome this challenge the school will change the lunch schedule. Basically 1st to 5th grade will start 10 minutes earlier.

Will look to see if the school runs out of lunch in the later lunch sessions. School is back to normal lunches (No grab and go)

- **Fence extension:** Fence still waiting for the gate and expect completion soon. Emergency exit plan will be updated to account for the new fence. Students will be taught to use cafeteria doors to exit during emergency and the side door of the library. We don't know when the shorter fences will be installed.

- **General Questions**

- No Community liaison, has been hired for Adelante yet. Key requirements is for the person to be bilingual and have basic computer

- Will not have a traditional Career day march, due to covid and it was a event organized by our previous community liaison. Raul asked if we could have a “what are alumni doing now type of zoom event”. He volunteered to help set something up if the school is interested.
