Please read this contract thoroughly. Students please initial next to each number to acknowledge that you have read and understand the student parking rules as set forth for Sato students.

1. \_\_\_ Student parking is restricted to students with a valid driver's license with juniors receiving priority. Students/vehicles that have been warned more than three times for illegally parking on campus will have their parking permit revoked.
2. \_\_\_ Student parking permits must be hanging from the rearview mirror and be visible from the front of the vehicle. The permit will be registered to the vehicle(s) cited on this application. If you should find yourself driving another vehicle to school during the year, you must add that vehicle to your application. The sharing, switching, or duplication of student parking permits may result in immediate disciplinary action up to and including permanent revocation of the permit and being disqualified from obtaining a permit for the remainder of their enrollment at Sato Academy.
3. \_\_\_ Students will park in the mark stalls.
4. \_\_\_ Attendance at Sato and a legally displayed parking permit in no way entitles or guarantees the student a parking space on campus. Parking spaces are on a first come, first serve basis. Arriving early increases your chances for finding a space. If you arrive on campus and cannot find space, you must park off campus. Please pay attention to the "no parking" areas, maintenance, red zones, and all posted parking signs. (street sweeping, 2 hour, etc.)
5. \_\_\_ Students must adhere to all traffic laws, limit their speed to 10 MPH on campus and operate their vehicle in a safe manner while on campus.
6. \_\_\_ Sato is not responsible for any theft, damage or vandalism to the student vehicles.
