

Oxbridge Academy
Social Science Teacher – Entrepreneurship
Fall 2022

Our School:

Oxbridge Academy is a non-profit, independent, co-ed, grades 7-12 day school in West Palm Beach, Florida. Founded in 2011, Oxbridge serves over 500 students and delivers a unique curriculum that allows students to explore a large selection of courses and programs beyond the traditional core. These include aviation, Cambridge Scholars, artificial intelligence, and a host of seminars in humanities and social science. Oxbridge faculty members are disciplinary experts and master teachers who provide opportunities for students to achieve their learning objectives, develop to their fullest potential, and live our Oxbridge values:

- Teaching what is worth learning with expertise and agility.
- Fostering personal discovery through guided choice within a deep, broad, and custom curriculum.
- Cultivating multidimensional experiences that integrate the fine arts, athletics, and the academic disciplines.
- Building an intentionally diverse and inclusive community grounded in a culture of kindness.
- Engaging in meaningful partnerships with our local community and beyond.

The Opportunity:

A successful applicant will maintain and build a thriving Entrepreneurship curriculum featuring hands on learning. The Entrepreneurship teacher will instruct students in the fundamentals of entrepreneurship, including business leadership, elements of a successful business, types of business structures, product development, pricing, marketing, advertising, pitching, fundraising, business plans, the basics of venture finance and venture capital, international entrepreneurship, and new market entry. The Entrepreneurship teacher will collaborate with leadership to differentiate course offerings and provide opportunities for both introductory and advanced study. The teacher will collaborate with colleagues to engage students in custom programming beyond the classroom, including developing connections with local industry, designing programming for Oxbridge Academy's Free Enterprise Institute, mentoring student entrepreneurs, and connecting entrepreneurship to the school's economics and finance courses. Applicants must also be able to instruct students in Economics and the ability to cross over into other areas of the department is preferred.

Other Tasks/Essential Functions:

- Prepare learning activities in an environment that fosters collaboration, inquiry, innovation, and personal discovery.
- Maintain accurate and complete student records in the current student information system as required by law, policies, and administrative regulations.

- Cultivate Oxbridge's core values of kindness, courtesy, integrity, respect, and compassion.
- Advise a group of students and keep parents and legal guardians informed about student's progress.
- Pursue relevant professional development to maintain expertise in subject matter, curriculum development, and teaching methods.
- Additional duties as assigned.

Qualifications:

- Bachelor's degree in related field required. Advanced degree preferred.
- Demonstrated ability to engage the interest of high school-age children.
- At least three years of relevant classroom teaching experience.
- Ability to work well with students, parents, and all members of the Oxbridge community.
- Demonstrated ability to evaluate improved learning, habits, and measurements of achievement.
- Ability to maintain confidentiality and use sound judgment.

Oxbridge Academy commits to being a community characterized by civility, respect, and trust; a school that fosters the virtues of discipline, perseverance, and responsibility.
