

Professional Organizations

Georgia Library Association

The Georgia Library Association is a statewide organization for library media specialists who work in school, public, academic and special libraries. It is a state unit of the American Library Association. The School Library Media Division is a unit of GLA composed of school media specialists.

Georgia Library Media Association

The Georgia Library Media Association is the state affiliate to the American Association of School Librarians, a division of the American Library Association. This organization serves to strengthen the ties between media specialists and teachers at a professional level. It provides opportunities for exchange of ideas, information and skills, and promotes various activities throughout the school year.

Georgia Association for Instructional Technology

The Georgia Association for Instructional Technology is the state affiliate of the Association for Educational Communications and Technology. The purpose of GAIT is to improve instruction through the use of media and technology.

Listsers for Media Specialists

GA DOE Media List Service

Judy Serritella, coordinator of library media services for the state, periodically sends out valuable information and resources for media specialists on this list service. "A must to join!"
