Good of the order

- Conference Feedback
 - Felt like speed dating, got through 8 teachers
 - Some said their schedule was not full, 10 minutes might be better
 - The teachers were amazing
 - Only 11 parents signed up for one teacher, AP parents, a few that were necessary to talk with
 - More convenient for parents, could use more time
 - 7 parents total, could use more time as well
 - List the student's name in invitation sign-up form
- Love School Council virtual option

Next Meeting: March 24, 2022
