Minutes

Welcome/Good News

- Paint job update
- First time in many years: only one parapro position open
- Senior Audrey Kinney: US Naval Academy Congressional Nomination

Items for Discussion

- ACT testing schedule update
 - March 1, 2022
 - All juniors will take ACT while other grades are doing something else
 - Options
 - 3 station rotation (gym, field, auditorium)
 - Horizon ACT prep tests? Not well received
 - Other ideas:
 - Field day type events
 - Advisement period
 - Coping skills/mental health presentation
 - “Special” lunch for Juniors
- [Trojan Sponsorship Program](#)
 - Blue Orthodontics wants first dibs.
 - Be sure to define exclusivity
- Technology
 - 1 to 1
 - Protection Plan: available every year
 - School Protection Plan budget balance: \$26,300
 - Chargers
 - Replacement devices
 - Repairs
 - 210 chromebooks ready for deployment as needed (75 chromebooks in “good” condition, 135 in “fair/okay” condition available to be issued to students
 - 2 carts of 40 chromebooks ready for daily checkout (short term forgot device/forgot to charge device)
 - 35 long-term loaners that are older machines (issued to student while device is in for repair)
 - iPads, VR machines, doc cams, projectors, speakers

- All remaining student desktop computers are end-of-life and will be removed over winter break
- Specialty programs have computers that meet their needs (CREST and Computer Science)
- Various software programs and apps available for use by all students
 - No Red Ink, Revision Assistant, School City, Study Sync, etc.
- Questions?
 - Consider buying a charger or two for each classroom

Good of the order

- Pathways teachers are meeting with PVEA to discuss not getting a prep period

Next Meeting: December 16, 2021
