Principal's Report:

Enrollment: Brandy reported that our current enrollment is 193 students. We have completed many intake meetings for new students over the last three weeks.

2021-22 School Year Operations: Brandy shared that our attendance rate has maintained, in February it was around 55-57%. We are working on re-engaging students through calls home to families by faculty and the JSS Team. There has been a recent increase in students returning to school after being dropped.

Brandy also shared that staff continue to have taken a zero-tolerance stance with many behaviors. Student issues that happened in the fall are being resolved by student's choice to reconcile friendships.

Phoenix has hired a new JSS team member, and also hired a SpEd Program Assistant.
