

April 29, 2022

Dear Parents,

As we approach the end of the 2021 - 2022 school year, let us begin by expressing our deep appreciation to you for choosing Servite High School! It has been a great honor working with your son and we look forward to continuing that relationship with your family after graduation.

The purpose of this letter is to request your assistance as “primary educators” to ensure a safe, fun, and enjoyable conclusion to this school year. Please speak to your son about the items listed below and remember that we want all senior students to enjoy their final weeks at Servite High School all the while adhering to the values we cherish.

- **All graduation requirements must be achieved. If you have any cause for concern, we recommend that you or your son (immediately) contact the Servite High School counseling department. Graduation requirements include academic coursework, service hours, attendance, discipline, and tuition billing. Failure to successfully complete these will prevent a student from graduating and may preclude him from participating in Senior Week events.**
- **Students are to attend each scheduled class through the rest of the school year. Should students choose to miss or disrupt class time, they will be subjected to all discipline and attendance policies.**
- **Vandalism on or off-campus will be referred to the appropriate law enforcement agency. If your son participates in vandalism, he may be removed from the commencement exercise and expelled from school.**
- **All policies in the Servite student-parent handbook will be enforced.**

As principal, my goal is to proactively and faithfully encourage the best and proper student behaviors. Do not do anything that would belittle, tarnish, or ruin your and the school's reputation. We do not want any actions to detract from the celebration and achievements of the Class of 2022. As a proud alumnus, I will always be committed and dedicated to forming, educating, and supporting the Men of Servite. I pray that our students may be witnesses of the Gospel and ambassadors of our school and all that we stand for.

In Christ, serving Mary,

Stephen Walswick '02

Principal
