

Top Ten Do's and Don'ts for your MPS Chromebook

1. Do arrive at school with your Chromebook and have it fully charged.
2. Do keep your Chromebook free from any markings, or stickers and do not remove the identification sticker.
3. Do return any abandoned Chromebooks to the Media Center.
4. Do report it to the Media Center immediately, if your Chromebook does not work properly or is broken.
5. Do remember that you are financially responsible for any intentional damage to your Chromebook.
6. Do not bring your Chromebook charger to school, leave it at home and charge your device there.
7. Do not carry your Chromebook by the screen, while open, and especially not operate it near food or beverage.
8. Do not close your device with anything inside the lid of the device, it could break the screen.
9. Do not leave your Chromebook unattended.
10. Do not have or use any other student's Chromebook.
