

Investment Options

- **Invest your HRA** by selecting any combination of the 10 available investment funds in the YourWay investment fund lineup
- You can **change your allocation** once per calendar month
- You are defaulted to the **Fidelity Asset Manager® 40% (DJ Conservative TR USD)** fund option upon enrollment
- Four of the investment options are asset management funds, designed for a target risk/return goal
- Review the Investment Fund Overview for your options, risk level, historical earnings, and fund operating expense
